AFFIDAVIT OF RILEY TOEWS

I, Riley Toews, of the Town of Gretna, in the Province of Manitoba,

MAKE OATH AND SAY AS FOLLOWS THAT:

1. I have personal knowledge of the facts and matters hereinafter deposed to by me, except where same are stated to be based upon information and belief, and those I do verily believe to be true.

2. I am of the Christian Faith and am a Pastor at Grace Covenant Church. I have been a Pastor there since 2019. Prior to that, I was an Associate Pastor at the Morden EMMC Church.

3. I lead our church's service on Sunday at 10:45 a.m. There are approximately 23 members (and 40-50 other attendees) in our church who attend that service.

4. Since the arrival of the Covid-19 virus in Manitoba, our church has faced closures and restrictions which have prevented us from worshipping altogether in-person. The Province of Manitoba's Chief Public Health Officer imposed Public Health Orders between March 2020 – May 2020 in response to Covid-19. As part of the restrictions listed in these Orders, churches were required to reduce the number of people who could worship together to 50, and then to 10. A copy of the relevant sections of those Orders is attached hereto and marked as **Exhibit "A."**

5. Over the summer of 2020, restrictions on churches were lifted somewhat, but never entirely. On or about November 21, 2020, the Province of Manitoba approved Dr. Roussin's Public Health Order that restricted any kind of in-person worship at our church. A copy of the relevant section of that Order is attached hereto and marked as **Exhibit "B."**

6. The restriction on our in-person worship still exists today. A copy of the relevant section of the current provincial Public Health Order dated December 22, 2020 is attached hereto and marked as **Exhibit "C"**.

7. At the start of all this, we were certainly concerned for our people. Covid-19 was touted as a deadly virus, and at this point we knew very little about it. This being said, at the early point in the lockdowns, Covid-19 had not really affected our area. We sought to be cautious, while still prioritizing the worship of God as He has called us to. To my knowledge the Church has never closed entirely in face of a pandemic, even as severe plagues passed through their communities. Pastors have historically still sought to visit and pray for the sick, and in a time of difficulty, we believe that people need to be drawing near to God. While we would seek to be cautious, our hope was to be courageous, to obey God in whatever that meant. For us as Christians, death has truly lost its sting. We have been reconciled to God through the life, death, and resurrection of Jesus Christ. The penalty for sin has been paid, and all who turn to Christ in repentance and faith will find Him to be a perfect Savior.

8. Even in the face of a pandemic, while we don't desire to be reckless, we do need to demonstrate that there is something different about us. The gospel of Jesus Christ removes the sting of death, and so the Christian life must not be driven by the fear of it. It is our privilege and honour to gather in celebration, praise and worship of the Lord's deliverance.

9. God requires the Church to Gather. The Bible is God's Word, and we are bound to obey everything He commands in His Word. The word that

our Lord Jesus chose to use to describe His people, is the Word *ekklesia*, which is commonly translated as Church. The Word *ekklesia* literally means "called out assembly." Thayer's Greek Lexicon gives the definition: "properly, a gathering of citizens called out from their homes into some public place; an assembly." The very word itself, describes a gathering, a congregation, a called-out assembly.

10. By definition, the Church is a gathering. It is true that all Christians everywhere are part of "the Church," meaning the universal Church, but Scripture is very clear that all believers in Christ are required to join themselves to local churches, local gatherings of believers with whom they gather together for worship on the Lord's Day (Acts 20:7, 1 Corinthians 16:1-2). We are therefore never more clearly the Church - the *ekklesia* - than when we are gathered together for corporate worship on the Lord's day.

11. Hebrews 10:24-25 says: "Let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the day drawing near."

12. The Greek word translated "meet together" literally refers to an assembly, it is a gathering. The only other place this word is used as a noun in the New Testament is in 2 Thessalonians 2:1, where Paul speaks of how the Saints will be "gathered together" at the second coming of Christ. Where it's used as verb in a number of places, it refers to the act of assembling, coming together, gathering.

13. Commentator Albert Barnes writes: "The command, then, here is, to meet together for the worship of God, and it is enjoined on Christians as an important duty to do it. It is implied, also, that there is blame or fault where this is "neglected." The Command is that we not neglect the assembly, that we not forsake the gathering. As the *ekklesia* of Christ, the called-out *assembly*, we must not abandon or neglect the gathering of ourselves together. The gathering of the saints for worship is not optional. It is commanded by God in the Holy Scriptures.

Preaching

14. The context of preaching is to be the gathered *ekklesia*, who come together to be shaped through the preaching of God's Word. Speaking from personal experience, it is *not* the same preaching to a remote congregation as preaching to the saints gathered together. All personal interaction is gone, you cannot read the faces and body language of the people. Eye contact that creates a connection between preacher and congregation is largely gone, even on Zoom or Skype where you can see some of the people on screen while speaking.

15. Also speaking from personal experience, as a hearer, the experience is dramatically different as well. A few years ago, I was able to hear in person a preacher that I have watched online many times, and there is a profound difference between being present under the preached word, and listening to a recording or a live stream. This is my personal experience.

Singing

16. This verse highlights the corporate nature of congregational singing: Colossians 3:16: "Let the Word of Christ dwell in you richly, teaching and admonishing one another in all wisdom, singing songs, hymns and spiritual songs, with thankfulness in your hearts to God."

17. The congregational singing of praises to God is an act of worship and praise. The power and grandeur of corporate worship together cannot be replicated by the internet. The internet cannot replicate our presence together, the sound and power of voices raised in common praise. While the internet is an incredible tool, it cannot replicate congregational singing, which is an integral part of the worship service.

18. In addition, the Psalms, hymns and spiritual songs are a method of teaching and admonishing one another. This is an instruction given to the Church. The average Christian who attends public worship on the Lord's day, has a duty to teach and admonish his brothers and sisters in Christ, by singing Psalms, hymns and spiritual songs. This again, is a command from scripture. It is not something optional. As a Christian, this is your duty before God to your brothers and sisters.

The Lord's Supper

19. The Apostle Paul rebukes the Church in Corinth because of their abuses in the Lord's Supper. To anyone unfamiliar, the Lord's Supper or 'communion' is a practice of the Christian Church that Jesus Himself commanded us to observe in order to commemorate His sacrifice. The

bread and the wine represent the body and blood of the Lord Jesus Christ, who gave His life as a sacrifice for sin. The Bible teaches that when we turn from sin, and put our faith in Jesus Christ, we made participants in His sacrifice. God the Father accepts the sacrifice of Jesus on our behalf; our sins are forgiven, and we have peace with God, and eternal life. 1 Corinthians 11:23-25: "The Lord Jesus on the night when he was betrayed took bread, and when he had given thanks, he broke it, and said, "This is my body which is for you. Do this in remembrance of me." "In the same way also, he took the cup, after supper, saying, "This cup is the new covenant in my blood. Do this as often as you drink it, in remembrance of me."

20. There is great blessing in partaking of the Lord's Supper. We are reminded through something tangible, in the bread and the wine that we have peace with God through our participation in the sacrifice of Christ. We commune with Christ, who presents spiritually in a unique way. In the Lord's Supper we receive assurance of our salvation, both from the promises of Christ regarding His body and blood, (John 6) and from the rest of the Church who confirms that we are true believers in right standing before God and others. This is a tremendous blessing and encouragement.

21. The Lord's Supper is intended to bind us together as His Church. As we all partake of the bread and wine together, we are reminded that we are all partakers of the true bread and wine, the sacrifice of Christ. This brings unity, it draws us together as the people of Christ. We are reminded once again that we are all made acceptable before God in the same way. Part of the intention in the Lord's Supper is meant to be the unity of the Church.

22. The Apostle Paul rebukes the Church in Corinth for their abuse of the Lord's Supper. 1 Corinthians 11 describes what was happening, some people were eating and drinking on their own, and were not waiting for one another. This was creating division in the Church as they had turned the Lord's Supper on its head. Among other problems, an ordinance that was meant to unify was actually causing divisions through their abuse of it. His conclusion in verse 33 is to say: "So then, my brothers, when you come together to eat, wait for one another." This is an ordinance which, among other things is meant to strengthen our unity, and it is therefore improper for us to do it for ourselves, in isolation from the church. Christians are then cut off from this blessing when we are unable to meet together.

23. The Christian worship gathering is meant to be participatory in nature. The congregants are active, they are a part of what's happening. In our worship Christians are not passive observers or consumers who come for a show and a speech. They are active participants, who come together to worship God, to encourage one another, to sing to God, and to teach one another. We come to be unified as a body through the Lord's Supper, to receive the blessings of these various means of grace.

24. We have been backed into a corner. We feel the weight of what God commands us to do, but all of our rights have been taken from us. This creates a crisis of conscience and friction between religious obligation and the new and changing rules of the Respondents. I feel that section 2 of the *Canadian Charter of Rights and Freedoms* is basically a checklist of what the government has violated. The irony of this happening in the province that boasts about its human rights museum has not escaped me.

25. Romans 13 commands submission to civil authorities, but then also explains that civil authorities have been given for the good of the people to punish evil-doers and reward the righteous. The government has flipped this on its head. They have begun punishing the righteous. The government is handing out tickets to churches and pastors for doing the things that God requires them to do, while allowing people to gather at liquor stores and big-box stores. In circumstances where the state treads on the conscience of believers and makes orders contrary to God's requirements "we must obey God rather than men" – Acts 5:29.

26. Freedom requires granting responsibility to the people. We have traded freedom for the false promise of security, and in the process the government has enslaved its population. This is wicked. This is unrighteous, it is unjust, and God will judge. The government has overstepped its bounds by believing itself to be responsible for something that God has not assigned to them. In the process they have stripped the God-given freedoms and rights from their people, have interfered with virtually every area of life, and every assignment God has given to citizens. Whether it be to provide for their families, to honor their aging parents by visiting them, to care for the sick and the poor, to gather for worship with the saints, to serve their brothers and sisters with their gifts, to make disciples and proclaim the hope that is in Jesus Christ to their friends, and neighbors, nearly everything God commands of His people has been forbidden or severely hindered by these unjust orders.

27. It has also been extremely troubling to see the dismissive and at times hostile responses of our politicians. As we wrote emails to our

politicians, we received nothing but emails repeating the same narrative. Our concerns went unheeded. When we submitted a petition requesting the re-opening of churches, the response was a dismissive statement about how churches don't make public health policy. If I could have replied, I would have said, 'And public health officials and politicians shouldn't be meddling with the worship of God.' Copies of those emails, government responses, and the petition and government response are attached hereto and marked as **Exhibit "D"**.

28. There doesn't seem to be any indication that our politicians are aware of what a weighty thing it is to presume to close the church. They describe it as 'temporary inconveniences.' This honestly angers me. It concerns me for the future of Church-state relations in this country. To regard the closing of the Church as an 'inconvenience' indicates that our politicians have very little regard for the Constitution or our fundamental rights and freedoms, or a free society.

29. My hope is that we gain our freedoms back. I hope for the civil government to acknowledge our rights, not presume to grant them to us, as though they had authority to do so, but rather to acknowledge our God-given rights and our responsibilities to worship Him.

30. I make this affidavit *bona fide*.

Dr. Brent Roussin
Chief Provincial Public Health Officer

Dear Dr. Roussin:

RE: Orders under section 67 of *The Public Health Act*

Pursuant to subsection 67(3) of *The Public Health Act*, this correspondence confirms that I, Cameron Friesen, Minister responsible for the administration of *The Public Health Act*, approve special measures being taken by the Chief Provincial Public Health Officer under clauses 67(2)(c) and (d) of *The Public Health Act* in response to the COVID-19 pandemic.

Cameron Friesen
Minister responsible for the administration of *The Public Health Act*

ORDER

THE PUBLIC HEALTH ACT
(Section 67)

WHEREAS:

1. The pandemic caused by the communicable disease known as COVID-19 is creating public health challenges in Manitoba that will continue to evolve and that require urgent actions to protect the health and safety of people across Manitoba.

2. I, Dr. Brent Roussin, Chief Provincial Public Health Officer, believe that as a result of the COVID-19 pandemic

   (a) a serious and immediate threat to public health exists because of an epidemic or threatened epidemic of a communicable disease, and

   (b) the threat to public health cannot be prevented, reduced or eliminated without taking special measures

3. The Minister responsible for the administration of *The Public Health Act* (the "Act") has approved special measures being taken under clauses 67(2)(c) and (d) of the Act.

THEREFORE, I am taking the following special measures, as authorized under the Act.

ORDER 1

Pursuant to clause 67(2)(d) of the Act, all persons are prohibited from assembling in a public gathering of more than 50 persons at any indoor or outdoor place or premises. This includes places of worship, social gatherings and family events such as weddings and funerals.

EXCEPTION

This Order does not apply to the following:

(a) a facility where health care or social services are provided,

(b) a retail business (including a grocery or food store, shopping centre, pharmacy or gas station), provided that the person in control of the retail business implements measures to ensure that persons attending the business are reasonably able to maintain a separation of at least one metre from other persons attending the business.

(c) a public transportation facility, provided that the person in control of the facility implements measures to ensure that persons attending the facility are reasonably able to maintain a separation of at least one metre from other persons attending the facility.

ORDER 2

Pursuant to clause 67(2)(d) of the Act, all persons are prohibited from assembling in a public gathering at any restaurant or other commercial facility where food is served, licensed premises under *The Liquor, Gaming and Cannabis Control Act* or any theatres offering live performances of music, dance and other art forms as well as movie theatres (the "hospitality premises")

EXCEPTION

This Order does not apply to hospitality premises if the operator of the hospitality premises limits occupancy to 50 persons or 50% of the capacity of the premises, whichever is the lesser, provided that the operator does not serve food buffet style and implements measures to ensure that persons attending the premises are reasonably able to maintain a separation of at least one metre from other persons attending the premises.

ORDER 3
Pursuant to clause 67(2)(d) of the Act, all persons are prohibited from assembling at bingo gaming events licensed by the Liquor, Gaming and Cannabis Authority of Manitoba or by a local gaming authority as defined by *The Liquor, Gaming and Cannabis Control Act*

ORDER 4
Pursuant to clause 67(2)(c) of the Act, all gyms, fitness centres, athletic clubs, training facilities, public pools, and wellness centres offering physical activities must be closed

These Orders remain in effect until terminated

THEREFORE, I am taking the following special measures, as authorized under the Act.

TERMINATION OF PREVIOUS ORDERS
My Orders dated March 30, 2020, are terminated and replaced with the following:

ORDER 1
1(1) All persons are prohibited from assembling in a public gathering of more than 10 persons at any indoor or outdoor place or premises. This includes places of worship, social gatherings and family events such as weddings and funerals.

1(2) This Order does not apply to a facility where health care or social services are provided.

ORDER 2
2(1) All restaurants and other commercial facilities where food is served must not serve food to customers for consumption at their premises.

2(2) This Order does not prevent food from being sold for delivery or takeout if the person responsible for the restaurant or commercial facility implements measures to ensure that persons attending the premises are reasonably able to maintain a separation of at least two metres from other persons who are attending the premises

ORDER 3
3(1) The operator of a business that is not listed in the Schedule must ensure that the place of business is closed between 12:01 a.m. on April 1, 2020, and 12:01 a.m. on April 14, 2020.

3(2) Despite subsection (1), temporary access to a closed place of business that is not listed in the Schedule is authorized, unless otherwise prohibited by any applicable law, for any of the following purposes:

PAR CONSÉQUENT, j'ordonne la prise des mesures spéciales qui suivent, conformément à ce qu'autorise la *Loi*.

RÉVOCATION DES ORDRES ANTÉRIEURS
Il est mis fin aux ordres que j'ai donnés le 30 mars 2020 et ils sont remplacés par ce qui suit :

ORDRE N° 1
1(1) Les rassemblements publics de plus de dix personnes sont interdits en tout lieu, tant à l'intérieur qu'à l'extérieur, y compris les lieux de culte, les rassemblements sociaux et les événements familiaux tels les mariages et les funérailles.

1(2) Le présent ordre ne s'applique pas aux établissements où des services sociaux ou de soins de santé sont offerts.

ORDRE N° 2
2(1) Les restaurants et autres établissements commerciaux qui servent des aliments sont tenus de cesser de servir des aliments à des clients pour consommation dans leurs locaux.

2(2) Le présent ordre n'a pas pour effet d'empêcher la vente d'aliments à livrer ou à emporter si la personne qui est responsable du restaurant ou de l'établissement commercial met en place des mesures visant à assurer que ceux qui le fréquentent sont raisonnablement capables de maintenir entre eux une distance d'au moins deux mètres.

ORDRE N° 3
3(1) L'exploitant d'une entreprise qui n'est pas visée à l'annexe veille à ce que ses locaux soient fermés de 0 h 1 le 1er avril 2020 à 0 h 1 le 14 avril 2020.

3(2) Malgré le paragraphe (1) et sauf interdiction contraire de toute règle de droit applicable, l'accès provisoire aux locaux fermés d'une entreprise qui n'est pas visée à l'annexe est autorisé aux fins suivantes :

(a) performing work at the place of business in order to comply with any applicable law;

(b) allowing for inspections, maintenance and repairs to be carried out at the place of business;

(c) allowing for security services to be provided at the place of business;

(d) attending the place of business on a temporary basis to deal with critical matters relating to the closure of the place of business.

3(3) Despite subsection (1), a business that is not listed in the Schedule may continue to provide services online, by telephone or other remote means.

3(4) Despite subsection (1), a business that is not listed in the Schedule may continue to operate in order to provide goods by delivery or pick-up that have been ordered online, by telephone or other remote means. If the business allows members of the public to attend the place of business to pick up goods, the operator of the business must implement measures to ensure that persons attending the place of business are reasonably able to maintain a separation of at least two metres from other persons who are attending the business.

3(5) Nothing in this Order prevents operations or the delivery of services by any of the following, regardless of whether they are listed in the Schedule:

(a) the Government of Canada, the Government of Manitoba or a municipality;

(b) any person or publicly funded agency, organization or authority that delivers or supports government operations and services, including health care operations and services.

a) y exécuter un travail aux fins de conformité à toute règle de droit applicable;

b) y permettre l'exécution d'inspections, d'entretien et de réparations;

c) y permettre la prestation de services de sécurité;

d) y traiter de questions essentielles liées à leur fermeture.

3(3) Par dérogation au paragraphe (1), l'entreprise qui n'est pas visée à l'annexe peut continuer à fournir des services en ligne, par téléphone ou par d'autres moyens à distance.

3(4) Par dérogation au paragraphe (1), l'entreprise qui n'est pas visée à l'annexe peut poursuivre ses activités dans le but de fournir, par livraison ou pour emporter, des biens commandés en ligne, par téléphone ou par d'autres moyens à distance. L'exploitant de l'entreprise qui permet aux acheteurs de prendre possession de tels biens dans ses locaux met en place des mesures visant à assurer qu'ils sont raisonnablement capables de maintenir entre eux une distance d'au moins deux mètres.

3(5) Le présent ordre n'a pas pour effet d'empêcher les entités suivantes de fonctionner ou d'offrir de services, qu'elles soient ou non visées à l'annexe :

a) le gouvernement du Canada, le gouvernement du Manitoba ou une municipalité;

b) une personne, ou une autorité ou un organisme financés par des fonds publics, qui offre ou soutient des activités ou services gouvernementaux, y compris dans le secteur des soins de santé.

Dear Dr. Roussin:

Re: Direction under section 67 of *The Public Health Act*

Pursuant to subsection 67(3) of *The Public Health Act*, this correspondence confirms that I, Cameron Friesen, Minister responsible for the administration of *The Public Health Act*, approve special measures being taken by the Chief Provincial Public Health Officer under clauses (67(2) (a.1), (c) (d) and (d.1) of *The Public Health Act* in response to the COVID-19 pandemic.

Cameron Friesen
Minister responsible for the administration of *The Public Health Act*

THE PUBLIC HEALTH ACT
(C.C.S.M. c. P210)

Orders under *The Public Health Act*

LOI SUR LA SANTÉ PUBLIQUE
(c. P210 de la C.P.L.M.)

Ordres donnés en vertu de la *Loi sur la santé publique*

WHEREAS:

1. The pandemic caused by the communicable disease known as COVID-19 is creating public health challenges in Manitoba that will continue to evolve and that require urgent action to protect the health and safety of people across Manitoba.

2. I, Dr. Brent Roussin, Chief Provincial Public Health Officer, believe that, as a result of the COVID-19 pandemic,

   (a) a serious and immediate threat to public health exists because of an epidemic or threatened epidemic of a communicable disease; and

   (b) the threat to public health cannot be prevented, reduced or eliminated without taking special measures.

3. The Minister responsible for the administration of *The Public Health Act* (the "Act") has approved special measures being taken under clauses 67(2)(a), (c), (d) and (d.1) of the Act.

ATTENDU :

1. que la pandémie causée par la maladie contagieuse connue sous le nom de COVID-19 présente dans la province des défis pour la santé publique qui continueront d'évoluer et qui nécessitent la prise de mesures urgentes pour protéger la santé et la sécurité de la population de l'ensemble du Manitoba;

2. que je, D[r] Brent Roussin, médecin hygiéniste en chef, crois que, compte tenu de la pandémie de COVID-19 :

   a) une menace grave et immédiate pour la santé publique existe en raison d'une épidémie de maladie contagieuse, réelle ou appréhendée;

   b) la menace ne peut être prévenue, atténuée ni éliminée sans prendre de mesures spéciales;

3. que le ministre chargé de l'application de la *Loi sur la santé publique* (« *Loi* ») a autorisé la prise de mesures spéciales visées aux alinéas 67(2)a), c), d) et d.1) de la *Loi*,

THEREFORE, I am making the attached COVID-19 Prevention Orders, as authorized under the Act.

PAR CONSÉQUENT, j'ordonne la prise des mesures de prévention de la COVID-19 qui suivent, conformément à ce qu'autorise la *Loi*.

Dr. Brent Roussin/Dr Brent Roussin

12(2) Outdoor recreational activities such as cross-country skiing, running and snowmobiling may take place while these Orders are in effect, as long as all participants maintain a separation of at least two metres from each other.

12(3) Dressing rooms, warming shacks and other indoor facilities associated with outdoor sporting or recreational activities must be closed while these Orders are in effect.

ORDER 13

13(1) All indoor sporting or recreational facilities must be closed while these Orders are in effect.

13(2) Subsection (1) does not prevent gymnasiums with volleyball or basketball courts in public and private schools from being used for physical education classes and practices during school hours.

Community centres

ORDER 14

14 Community centres may open. Only activities that are permitted under these Orders may take place in a community centre while these Orders are in effect. The conduct of specific activities at a community centre is governed by the applicable provisions of these Orders that relate to the activities in question.

Places of worship

ORDER 15

15(1) Except as permitted by subsections (3) and (4), churches, mosques, synagogues, temples and other places of worship must be closed to the public while these Orders are in effect.

12(2) Les activités récréatives extérieures, telles que le ski de fond, la course et la motoneige, peuvent avoir lieu pendant que les présents ordres sont en vigueur, pour autant que les participants maintiennent entre eux une distance d'au moins deux mètres.

12(3) Les vestiaires, abris et autres installations intérieures liées aux activités sportives ou récréatives extérieures demeurent fermés tant que les présents ordres sont en vigueur.

ORDRE N° 13

13(1) Les installations sportives ou récréatives intérieures demeurent fermées tant que les présents ordres sont en vigueur.

13(2) Le paragraphe (1) n'a pas pour effet d'empêcher que les gymnases des écoles publiques ou privées qui sont dotés de terrains de volleyball ou de basketball soient utilisés pour les pratiques et les cours d'éducation physique pendant les heures de classe.

Centres communautaires

ORDRE N° 14

14 Les centres communautaires peuvent ouvrir, mais seules les activités permises par les présents ordres peuvent y avoir lieu pendant que ces derniers sont en vigueur et uniquement en conformité avec les ordres applicables.

Lieux de culte

ORDRE N° 15

15(1) Sauf dans la mesure permise par les paragraphes (3) et (4), les églises, les mosquées, les synagogues, les temples et les autres lieux de culte demeurent fermés au public tant que les présents ordres sont en vigueur.

15(2) Despite subsection (1), religious leaders may conduct services at places of worship so that those services may be made available to the public over the Internet or through other remote means.

15(3) A funeral, wedding, baptism or similar religious ceremony may take place at a place of worship provided that no more than five persons, other than the officiant, attend the ceremony.

15(4) This Order does not prevent the premises of a place of worship from being used by a public or private school or for the delivery of health care, child care or social services.

Use of masks

ORDER 16

16(1) A person who enters or remains in an indoor public place must wear a mask in a manner that covers their mouth, nose and chin without gapping.

16(2) The operator of an indoor public place must ensure that every person who is not wearing a mask while in the indoor public place is given a reminder to do so as soon as practicable.

16(3) Subsections (1) and (2) do not apply in respect of the following:

(a) a child who is under five years of age;

(b) a person with a medical condition that is unrelated to COVID-19, including breathing or cognitive difficulties, or a disability, that prevents them from safely wearing a mask;

(c) a person who is unable to put on or remove a mask without the assistance of another person;

(d) a person who needs to temporarily remove their mask while in the indoor public place for the purpose of

15(2) Malgré le paragraphe (1), les chefs religieux peuvent tenir des services dans les lieux de culte dans le but de les rendre accessibles au public par Internet ou d'autres moyens à distance.

15(3) Les funérailles, les mariages, les baptêmes et les autres cérémonies religieuses semblables peuvent avoir lieu dans un lieu de culte, pour autant qu'au plus cinq personnes y assistent, hormis l'officiant.

15(4) Le présent ordre n'a pas pour effet d'empêcher qu'un lieu de culte soit utilisé par une école publique ou privée ou qu'il serve à la fourniture de soins de santé, de services de garde d'enfants ou de services sociaux.

Port du masque

ORDRE N° 16

16(1) Quiconque entre ou se trouve dans un lieu public intérieur est tenu de porter un masque bien ajusté couvrant la bouche, le nez et le menton.

16(2) L'exploitant d'un lieu public intérieur veille à ce que toute personne qui s'y trouve sans porter de masque reçoive dès que possible un rappel lui demandant de mettre un masque.

16(3) Les paragraphes (1) et (2) ne s'appliquent pas aux personnes qui répondent à l'un des critères suivants :

a) elles ont moins de cinq ans;

b) elles ont un problème de santé sans rapport avec la COVID-19, notamment des difficultés respiratoires ou cognitives, ou une incapacité qui ne leur permettent pas de porter un masque en toute sécurité;

c) elles ne peuvent pas mettre un masque ou l'enlever sans l'aide d'une autre personne;

d) elles doivent enlever temporairement leur masque pour l'une des raisons suivantes :

Good afternoon,

Thank you for your correspondence. With COVID-19 in the province, Manitobans know that this is not business-as-usual There are significant intrusions into our everyday life that only weeks ago seemed unimaginable. Our government is responding in an abundance of caution, focusing on maintaining the health and safety of Manitobans, and placing special emphasis first and foremost on protecting the vulnerable. We have worked hard to flatten the curve and slow the spread of COVID-19. Recent reports suggest that our efforts are being effective, with a low number of daily cases and COVID-19 recoveries now greater than active cases. The next few weeks are critical in determining whether the measures taken will keep new cases low.

We thank you for expressing your opinion. The Chief Provincial Public Health Officer continues to express that gathering sizes are not to be lifted in the first phase. Out of concern that there could be significant community transmission. We recognize that this policy has made it difficult for churches and congregations. Nevertheless we have been impressed to see the creative ways in which churches have been responding in order to facilitate worship, teaching and church life.

We recognize that the Public Health Order limiting gathering size to 10 and under has been extremely difficult for the church. We want you to know that our government has been paying attention to this, and we have actually created a sub-group to engage with inter-faith leadership to both understand the challenges faced by groups who want to practice their faith and also anticipate the issues that must be addressed as we begin to release the Public Health Orders and transition cautiously back to more normal conditions. Manitoba's COVID-19 infection rates remain very low and we are encouraged by this. If these low numbers continue we expect the Chief Provincial Public Health Officer (CPPHO) will be notifying Manitoban's soon on when the next phase to re-open the economy will be and give an update on when gathering sizes are projected to be increased.

There is no textbook on how to re-open a society after a global pandemic. We are attempting to get this right, balancing common sense and evidence against the need to keep Manitobans safe.

Thanks again for your correspondence.

Dear Honorable Cameron Friesen, Minister of Health:

We would like to acknowledge the hard work that you and your colleagues have been doing for the province of Manitoba during the COVID-19 pandemic. We realize that leading a province through these times is a difficult task.

We are concerned that Manitoba churches have not been able to lawfully meet in any way since the ban on gatherings took effect. As Christians, regular participation in gathered worship services is an essential part of the free practice of our faith and an essential aspect of our overall health. While we are grateful for the ability to distribute online resources, the church is not essentially a distributor of resources but a gathering of a people.

The Canadian Charter of Rights and Freedoms guarantees all Canadian citizens the fundamental freedom of peaceful assembly. We acknowledge that in cases of unusual danger, this right may be temporarily suspended for the sake of public health. We do also want to point out that the danger must be unusually heightened to result in the withdrawal of our fundamental rights or else they are not rights at all.

In the recent announcement of April 29 it was revealed that many outdoor activities including patios, outdoor recreation facilities, parks, campgrounds, and day camps are all being permitted as of May 4, of course on the condition that they meet the distancing guidelines provided.

We are requesting that these same guidelines be applied consistently to other outdoor activities, especially in our case the peaceful assembly of the church. We are not asking that the assembled church receive an exemption from distancing guidelines, but that the same guidelines that are applied to other outside social activities be applied equitably to the assemble church. For example, families would not be permitted within 2 meters of a member of any other family. Washroom facilities would be regularly cleaned. Fundamentally, we do not believe that the purpose of activity (recreation vs. worship) intrinsically makes it more dangerous. If the danger of outdoor recreational activities is sufficiently mitigated by distancing measures, we do not find just cause to prevent churches from peacefully assembling with like measures because the danger has been mitigated.

Please consider our request that outdoor activities related to the freedom of assembly for worship receive the same guidelines as outdoor activities related to recreation.

We look forward to hearing from your office.

To: [redacted]>

Dear Pastor Mark Reimer, Pastor Eric Honsberger, Pastor Riley Toews and Pastor Joshua Shetter,

Thank you for your email and petition regarding church services under the public health orders in place; your correspondence was shared with the Manitoba Emergency Coordination Centre for a response.

The arrival of COVID-19 in Canada and in our province has presented unprecedented challenges, and our government's highest priority is the health and safety of all Manitobans. To this end, the Manitoba Government has declared a state of emergency under The Emergency Measures Act and Manitoba's Chief Provincial Public Health Officer has issued public health emergency orders under The Public Health Act. Models have also been developed in Manitoba to inform the management plan for COVID-19. As new information is received, officials will continue to refine the projections, models and health advice for Manitobans.

To date, the data under the models indicate that Manitoba's public health measures have limited the spread of the virus and have kept the infection rate manageable. Manitoba has been easing public health measures in a phased manner to ensure that it is done safely. This includes easing the restrictions on public gatherings.

As of June 21, places of worship may have up to 50 persons in an indoor space and 100 persons at an outdoor space. Indoor gatherings are permitted with a maximum group size of 30 per cent of the site's capacity provided the group can be physically divided into sub-groups of 50 or fewer. Each sub-group must be able to arrive, depart and participate in the gathering without co-mingling with members from any other sub-group. Adequate physical distancing must continue to be provided for all participants. Additional guidelines can be found at: https://www.gov.mb.ca/covid19/restoring/index.html

Places of worship may also choose to have drive in services. There is no limit on the number of participants at such gatherings. However, participants must remain in their motor vehicle or stay immediately outside of their vehicle in a manner that ensures that they are able to maintain a separation of at least two metres from other persons attending the services.

The measures required to deal with the COVID 19 threat are continually re-evaluated and adjusted based on the status of the pandemic in Manitoba and the assessment of the health threat that it presents for Manitobans. While we recognize that the limits on church services does infringe on the public's religious freedoms, these measures are necessary to limit community transfer of the COVID-19 infection. We intend to keep them in place for no longer than our public health officials deem them to be necessary.

Thank you for reaching out and for everything you are doing to help slow the spread of COVID-19.

Regards,

Manitoba Emergency Coordination Centre

RE: FULL REOPENING OF MANITOBA CHURCHES

Dear Premier Pallister:

Thank-you for your service as you seek to guide the Province of Manitoba through the COVID-19 pandemic during the past few months.

As you are aware, churches have not been able to assemble freely since mid-March. We were told this was necessary to "flatten the curve" to save thousands of lives and to prevent hospitals from being overwhelmed. The data is now in and the curve is flat. Active cases peaked months ago on April 4. In Manitoba and indeed around the world, the models used to try to justify the lockdowns have proven inaccurate by the order of magnitudes. The infringement upon our constitutional freedoms is unjustified. Therefore, the limits to our guaranteed freedoms have not been demonstrably justified and must be immediately removed. Without demonstrable justification, limits to fundamental freedoms cannot be legally imposed.

The free assembly of the church is not incidental to Christian worship but is an essential component of our worship. It is not the role of the state to determine that online resources substitute as a peaceful assembly. The church exists by the authority of Jesus Christ himself and not by the authority of the civil government. We are thankful to live in a country where the Canadian Charter of Rights and Freedoms guarantees the freedom of conscience and religion and the freedom of peaceful assembly to all Canadians. These freedoms are "subject only to such reasonable limits prescribed by law as can be demonstrably justified in a free and democratic society." The limits have not been demonstrably justified.

Therefore, it is time that the government remove any and all limits placed against the fundamental freedoms of Canadians to practice their religion and to peacefully assemble in accordance with their own conscience. Churches can assume responsibility to protect their own congregants from the risks of COVID-19 in ways that are appropriate to the individual contexts. We will continue to pursue this matter persistently, whether through lobbying or legal action in court as necessary. By these means, we will recover the fundamental freedoms upon which Canada is built.
We will continue to pray for you and all our leaders, and we look forward to your response.

Sincerely,

The undersigned

The following are additional comments that some of the signers included. These comments to not necessarily reflect the opinions of all the signers, but we submit them to you as a representation of many citizens of Manitoba. Arranged by order of date and time received.

Gathering with my church family for worship on Sunday mornings is very essential to me! It is my right as citizen and also as a believer I need to see my fellow church people, my local church, to be encouraged in my Christian life. It is commanded in Scripture to gather as a local body of believers to worship our Lord. Please open up places of worship!

Please remove the gathering restrictions in churches

I believe churches should be reopened at full capacity due to being essential resources, especially for those whom are vulnerable (ie. Widows, Orphans, Single Parents, Homeless, etc.).

Furthermore, if restaurants - who see a consistent turnover of clientele on a daily basis - can seat at 75% capacity, church buildings - who see the relative same clientele only 1-3 times per week - should likewise be able to re-open to at least 75% capacity as well.

With all due respect to the Province, churches have listened to your advice for the sake of prudence, but the State has no right to dictate how the church conducts their worship something that conservatives ought to know. I appreciate the government's job at mitigating the spread of the virus, but it's way past time that they allow churches to re-open and worry about the spiritual and physical well-being of their congregants.

We see church very important to reopen in full we believe coming together and pray and worship for sickness and leaders is very important

Fellowship in the Lord Jesus Christ is essential to my life

We can certainly gather together in our church building while respecting social distancing.

In these times it is more important than ever to be with our church communities!

Church is Essential!!!

Please allow us to worship in person.

Church is essential to the wellbeing of all members. Taking away the community has hurt many people and for what? .5% of positive COVID results from all who have symptoms? The elderly especially need this. Their immune systems have been weakened because of loneliness. People are suffering from mental illness because of not being able to meet with their church family. Church is essential!

Its unlawfull tl keep churches closed, it violating our rights to freedom. By reopening church we'll stop the virus that's not a threat in the first place. Praising God brings healing to all generations

Our freedoms have been violated,It is high time for change.Been praying for wisdom and courage;

Honourable Premier Brian Pallister. I am praying for you in these difficult times that God will give you His fear and wisdom and courage to fulfill the office He has given you. Thank you for your leadership.

Churches are needed for fellowship, support and learning. They are essential services.

Nothing of this covet 19 makes any sense not even a little bit this is all planned from the globalist,this is just practicing how to inslave the people we need to stop supporting them by all these social disting rules and everything else.

Thank you for this consideration.

Thank you for your service to our province. We are praying for you that the decisions that you make will be what is right and beneficial for our province and it's people.

I am a volunteer at this church for young children and would like to continue to be. I advocate that children need friends to interact with and to learn what has good values and principles in life. This is important for the mental, physical and spiritual well-being of children as well as adults. Thank you. Lorna Froese

I am a member of Church of the Rock and I agree that Churches should be opened fully with no restrictions. If marches can be held then a church has a right to meet also.
We stand on Gods Word and we are protected by His Word Psalm 91. Thank you.
Sally Young

It's time to stop the government overreach on our freedom.

If bars can be open or restaurants there is no reason churches can not be open. Instead of opening things that will bring on addiction open churches so they can have people who are willing to help them through this time.

I love jesus!

Please open our Churches. Our Country desperately needs Spiritual help. God Bless you Mr Pallister

Well, to the party for which I have voted since I was eligible to vote and now I'm 57. I can't believe I have to sign a petition like this under the Manitoba Conservative party (In power) but it seems like our governments are sharpening their skills on taking our rights away. It's truly sad. The very dull tool in ottawa (21 seconds of silence) has the utmost regard for everything but Christianity and were letting him frolic and entertain other country's with millions of dollars for a woman's right to choose (abortion). I am waiting for the western and eastern Canadian premiers to speak up against the tool. Fight. Fight hard. Look at what the lefty's are doing in the US and in Canada. The socialists are knocking on our door claiming rights and freedom. It's the opposite and we all know it. Again fight, not much time left, I think. Fight.

It's time to look at health from a holistic approach, giving consideration to the mental, emotional and spiritual health that the church can provide. To go along with the physical health that has been protected.

I would like to go back to Church. The curve is flat here.

In light of all that has been happening in the name of Covid, I am insulted by the absolute disrespect shown to our society, firstly by our fed gov and secondly by our prov govs. To blatantly impose regulations that strip citizens of their fundamental rights will not fare well in our story as a free country.

I am disappointed in how this government has held back the worship of congregations together during the most uncertain time in recent history. The church is essential to believers who count on fellowship together when they worship God. The Mennonites were an essential part of our history in the development of southern Manitoba. Providing goods and services to those who could not grow their own. We continue in our forefathers footsteps in providing goods and services to the province and the world. We also continue in their faith, which the freedoms provided by the province, drew them here in the first place. When we see bars and liquor stores priority over the church we wonder what the province truly considers essential. Please consider how the church is essential in the lives of believers And the function of our province.

Mr. Premier,

We respectfully ask you to consider this petition and completely open churches up in Manitoba, as Alberta recently did.

I pray for churches to reopen

Give us back our freedom! Open up the churches !

Churches should be seen as an essential service just like the casinos and liquor stores.

Premier I ask that you would please consider fully opening up the churches. I believe they are very much needed.

I cannot see why we cannot assemble when bars, restaurants, etc. are able to. I believe we should be able to, at least, open to 50% of our church.

It's time! If we can have restaurants reopening etc then it's time for churches to be aloud to serve the Lord they way they always have! This is a matter of Government Control not the virus! We can't buy people's obedience! Nor can you force them to obey you must earn people's trust and respect! And let me tell you! There has been a lot of trust and respect lost through this escapade!!

If liquor stores or casinos are open then churches should be in the essential business opening.

If we open restaurants - lounge- bars at 50% then churches should be at a 100%

Please reopen the church

May the wisdom of God abide with you.

We will keep to all the details of the social distancing

Please, consider reopening churches or increasing threshold for covid-19 complaince rules.

I want to request that, if other non governmental organizations could be given the preference to open, the church be accorded same preference.

I believe churches should be classified as essential services. Churches should be allowed to open fully for services.

Walmart, Costco, Canadian Tire, Malls... all are able to have copious amounts of shoppers in at a time! But churches shut down? Why? The hypocrisy needs to end and the return of rights and freedoms to worship needs to happen promptly! Foreigners come here to be able to have freedom of religion. A massive percentage of Christian worshippers in Manitoba voted in the conservative party! Please remember that! While we may have weak leadership at a federal level...we don't have to have it at a provincial one! Praying that eyes & ears are opened here!

We would love our numbers in church attendance to increase.

We need churches to open.

It's time to reopen churches in MB!!!!

Enough is enough. Time to move forward with life.

If stores can be packed full, so can churches!

We really miss the church we love. Search people that we can go to to have a good talk we love to prayer we pray we pray for other people we love all that we are so thankful that we hear it's going to open again

Church is really important to me.

To add to the considerations above, more leniency should be in place for remote or northern communities where there has been no trace of COVID-19 and where travel restrictions have already limited the likelihood of the spread of the virus.

Dear Premier: It is absolutely critical the Province ceases unconstitutional and discriminatory practices and allows churches to re-open at full capacity for Phase 3. For nearly 70 days, churches, an essential service for the health and well-being of Manitobans, were unfairly forced to close due to an imposed 10-person limit, while non-essential liquor and cannabis stores remained open. Now a 25-person limit (and the proposed inadequate increase to 50 persons) continues to persecute communities of faith, which have been relegated as nothing more than impersonal "attendees" at a sporting venue. Nothing could be further from the truth. Churches are close-knit families, and to separate members of such families (for over 91 days now), is indeed the equivalent of forcibly separating members of the same household. As such, the Province has a moral obligation to right this wrong, cease the discriminatory labelling as "super-spreaders", and acknowledge that the gathering of a church family en masse poses no more risk than thousands of "Black Lives Matter" protesters gathering in front of the legislature and around the world. In a June 8, 2020 media briefing, our own Dr. Brent Roussin acknowledged "the NEED for this demonstration", but the NEED for church gatherings, and the constitutional right to do so, was NOT acknowledged. I, and thousands of other Manitobans request that the Province allow Manitoban churches to re-open at full capacity without restrictions. People have been and can be trusted to stay home when sick and symptomatic, and thus there is no further justification to keep healthy individuals forcibly separated from their church family. Thank you, Premier Pallister, for your prompt attention to this matter. Yours sincerely, Adam Janz

Churches are important and need to be opened.

This request is for all religious institutions to reopen.

Good afternoon.. I hope this message finds you well..

if you are able. Could you please lift the restrictions of Gatherings. That churches in Manitoba would be able to freely gather again.. please make it possible for us to gather freely.. reopen the churches in our province.

Numbers do not substantiate the need of a lockdown. Majority (over 80%) affected by the virus were found in federally run nursing homes. The healthy school and working age were unaffected by the virus.

It is time to open our churches! I cannot believe how unfairly our churches have been treated during this crisis. I can have 125 at my gym, go shopping with hundreds of others and then go to a restaurant, but I cannot have church in our building. I have had services online and outside to be a good citizen, but I have grown weary of this restriction and my cooperation is coming to an end.

Of course churches are essential and should be open

Definitely need churches open to full capacity, very essential to our spiritual health!

Please allow all churches and places of worship to fully open immediately with no mandated restrictions. The numbers are in. The curve was flattened a long time ago. We need to have the freedom to assemble.

Every person has the right to assume their own risk/responsibility, allow us to practice our own rights and freedoms.

My family and I need to get back to church again, for spiritual growth, support, and for our mental health.

There is no legitimate reason to continue the lockdown. Fear has been used as a weapon against our citizens to erode our rights. MSM has spread the fear.

Being together in praise and worship of God is what we were created for and therefore essential. Thank you for working so hard to keep us safe, God bless you all to enable the right thing to be done.

We need the church to fully reopen... as now more than ever, we need the prayer and support of another human being., with the increasing incidence of spousal abuse, depression...

Please reopen churches to full capacity. We need to hear the word of God more than ever. Thank you.

We miss our Church services.

If Trudeau can protest why can't we be in church!

If we have the freedom of religion then keep the Churches open so that we as Christians can worship together. God and the Church is our only hope.

Government deems many establishments to be essential services, which the body needs physical to survive i understand. We can include liquor marts, bars etc, i do not understand, but can accept. I truly believe the government has forgotten about our greatest need, our spiritual need. This is man kinds greatest need. Mankind needs human interaction, and love. Taking our right to worship away will have the greatest negative impact on our country. As a church leader i continue to remind the congregation to pray for our government that you may receive the wisdom from God on how best to lead our great country. We will continue to pray for all our leaders, please listen to Gods instruction on leading. May God wisdom and blessings be upon you.

Thankyou for your consideration

Churches ARE essential to well being. They are a force for community and a force for good. Everyone can and should decide for themselves if the risk of church attendance is acceptable. The government does not need to mandate this. People can be responsible. And freedom of religious expression is just as important as the right to protest. Thank you for your time.

For God so loved the world that he gave his only begotten son that whom believes on him will have eternal life!

Churches need to be opened. Should never have been closed

Please allow us to worship together without any restrictions! We assume the risks ! We will continue to pray for all of you and our country! Thank you!

Miss church regularly I love the fellowship and encouragement and hope it brings we are weak without Gods word it has power and fills us to move in our communities to gelp others to love the unlovable and accept the outcasts we are to love one another and pray for each-other and love our enemies And pray for them in a world of chaos and violence we need Jesus aHe is the way the truth and the life and my testimony proves it

I can't see why bars, liquor stores, gaming places ate more essential than the Lords house.

Please allow us too return too church our regular times and 100% capacity, church is essential for so many and should have been left an essential service!!!

yes! We need Church! God is the healer of our land if we humble ourselves to Him and REPENT! It has become painfulky obvious that this is not a battle of a virus, but a battle of the evil. Let us Christians raise our hearts in battle TOGETHER as a family in Christ! Church should have been opened months ago!

People can protest . Time to open the churches.

I believe corporate worship and prayer is essential to overcoming any and all adversities. Thank you

I believe we should be allowed to meet, church is and essential services.

Our community is in real need of our church to be reopened as alot of the people and family's depend on our church for many things. Guidance. Prayers. Stay in Gods grace. Ect. GOD IS GREAT..

We need to reopen the churches

I wish to have the freedom to gather and worship with other like minded individuals. I believe that we, as individuals should be allowed to make our own decisions and weigh risk versus benefit for this and many other things.

I'm a member of Kildonan United Church. I miss my church family. Please let churches re open to full capacity during phase three. Things seem so not the same.

Being able to go to church freely helps to not get depressed.

People need the word of God. No matter what is going on in the society God is still the answer to every concern of mankind. God is still in charge of the whole world. God bless you as this request is granted.

Please allow us to gather freely with only minimal precautions!

I'm not the pastor, I am a parishioner who longs to be able to meet with others in church.

Should definitely be opened. Of course with caution.

Open the churches!!!

I am a member of the church. Would you please allow the Churches to be open again, Thank You very much.

If people can attend protest (expressing freedom of speech) then we should be allowed to listen to our pastor.

Let's get the churches open again!

Please remove restrictions on churches. Its about time.

I believe our churches are essential and in time of hardship and need we turn to our true provider. We should have every right to worship whenever and wherever we choose. The government should have no right to dictate to its citizens regarding their faith or how and when to worship. A christian nation that worships Is a blessed and peaceful nation

I am not a pastor but agree with the letter.

We are missing our church services. It feels like we don't get the essentials we need for our souls. Please open the churches.

We really miss church and Gods word

As an inner city church working with some of Winnipeg's homeless by feeding them not only spiritually but also physically these same people who struggle with mental and substance abuse issues. These are the ones who attended regularly on Sunday mornings and were welcomed in and felt love and belonging and safe. They came week after week, and when the church was shut down due to covid, these souls had no where to go, and would Come and wait at the church hoping someone would come and open up the church. They were wondering where we had gone and if we would ever come back...they have no access to internet, the library was closed. They felt and still feel cut off from a place of hope a of security. So humbly we are asking that you open up fully our places of worship. So we can get back to ministering to those who are desperately in need.

For the well-being and mental health of the province the church needs to be deemed an essential service and restored to full capacity. Each individual has the opportunity to make a personal decision on whether or not they attend.

May God continue to bless these communities with good health and prosperity in these ecenomically difficult times.

The church is a place that should close last and open first. Because that's what keeps us going.

Hebrews 10:25

Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more as you see the day approaching.

Our congregation is growing increasingly frustrated with current arbitrary crowd limitations without regard to seating capacity, square footage. Please, with all due respect lift the limitations and entrust is with the care and safety of our congregants.

Manitoba has hardly any covid cases. We have been careful. We have maintained distancing. We will make sure things are done in a proper required fashion. Alberta is evening opening churches to full capacity and they are in greater risk than Manitoba. Protests were allowed with thousands coming together, but our own church community is not allowed to be together with a few hundred??? Please open our churches to full capacity!

God is my highest authority and supersedes all others. Praying for our leaders.

We are advised to: "Preach the word of God. Be prepared, whether the time is favorable or not. Patiently correct, rebuke, and encourage your people with good teaching."

As President Trump said not too long ago, we need more prayer not less. I believe we need to gather to encourage each other now more than ever. Please reopen church gatherings.

Not a pastor but a Sunday school teacher .Most important a follower of Jesus Christ my Lord

We need churches to be open for the good of all people

Spiritual life is very essential to every other part of life.

I whole heartedly agree that the evidence has been overestimated and there is more damage happening in people emotionally now because of closed places of worship.

When I shop at walmart I am in contact with way more people than I ever would be at church. It just doesnt make sense to keep such an integral part if many people lives limited

It would be a blessing to have church attendance at 1/3 or 50% capacity.

We need our churches open. It's an essential need!

I'm waiting for church to be open again

This entire covid-19 situation has amounted to being an absolute sham that has done immeasurable damage to every aspect of life in Manitoba, not to mention the world at large. It needs to end immediately for everyone's sake.

Please open our churches. We would really really appreciate that.

As a Christian, I find Church should be considered an essential service. After all, it is the church praying for our country and the world going through this pandemic.

PLEASE!!

I am not a pastor but I am a small group leader and it is very important to me to reopen churches for the spiritual health of our communities.

We would appreciate all limitations on the gatherings of our churches to be taken off right a aways. Thank you!

Long over due!

No good reason has been given for granting restaurants, bars, and VLT lounges more gathering freedom than churches and other places of worship. All we are asking for is the same courtesy to be extended to us. Our peaceful, orderly gatherings must certainly pose far less risk of virus transmission than do bars and lounges!

Church is essential, we need to open the doors, for our spiritual, emotional and mental health.

I'm not a pastor put I think we need to open the church

Please let us worship without penalty

We need to start getting together again. Mental health will improve as those who really need the time together with their fellow believers.

We need each other. Wouldn't you be happier to have churches congregate in peace, prayer and support instead of rioting protests?

Please open up fully the churches of Manitoba. They are essential and needed. Thank you in advance, Roger Headings

I agree 100% with the points made in this letter. It has been proven that Covid 19 is not the threat it was pushed to be by the media and those behind the media. Churches are essential for not only the Christians who attend them but for the community as a whole.

I miss church where I can go and praise God! We really churches to open that people can go there and look at God not the news page! God is in control

I hope that you will allow us to open our church, so that the elderly and the children can get back to so sort of normal again. Not to mention us as adult that we can all have fellowship with other believers again. Praying for you. Sent with love and prayers.

We need to open our churches ASAP. our leaders in this country need our prayers more than ever. We want our freedom back now!

It is important for the body of Christ to meet and worship together. In Exodus God told Moses asked Pharoah to Let My people go to worship. We know the outcome of his decision to prevent Gods people from being free to worship. It is just as important for the system today which is trying to control the church to be free to worship today as it was back then.

Open..the sooner the better!!

It seems to me that churches are discriminated against because just about everything else is opening up by now. The limits have been taken off of retail stores like Walmart and Superstore, but we aren't allowed to go to church because that's "not safe."

Churches are a essential service .

I didnt see You close liquor stores. Mr Palster Churches are need its proven where there is a church crime rates go down

It is time to let us worship together again, it is time to open up church's again! Enough of this nonsense.

Church is important.

God created us. From the moment of our birth we were meant to live for God, to serve and worship Him all the days of our lives, to take away that right goes against the whole purpose of our being.

We need to get back to God's house,to worship God the Almighty.

Longing to have our services again!!

Longing to have our services again!!

Hello Premier. I really would like to know why are you ignoring the Holy Spirit Devon that helps us through every day and every night he's so kind to us and we will ignore him we will open the churches The very last what will we do if one day he will help at the very last or nay maybe even not at all we need prayers more than ever it is not right to open up a bar or abortion clinic before a church the bar And abortion clinic should never be there at all to begin with is that possible that you could give us freedom and churches again why would you work against God please let us have church like God wants from us you really need to learn a lot yet otherwise you would neverDo this to us, I hope you will understand what I mean and may God bless you and I hope you will get to know the Lord on the bottom of the heart thank you

I am not a Pastor but a Christian Who would like to attend Church services.

Going to church for worship is truly essensial for a Christian

I pray that you as leaders of the government will accept the proposal. Thank you

We would love to have in house worship again. Thanks

Hello,
Though I might not be a leader of a church myself but I call one my home-church and would love to see my brothers and sisters in Christ worship again, without any restrictions!
Thank you, N

PLEASE allow us to have church under our own rules/regulations as per denomination

Gathering together as the Body of Christ is an essential service, Mr. Pallister. Maybe you have forgotten. I saw you many years ago at the Alliance church in Portage, so you know what church is all about. Don't you think church attenders would care about the safely of their fellow Christians? Have you been to a Walmart in the last few months? Have you noticed how easy it would be to pick up a virus there? Is a liquor store more important than a church? What has this world come to? Thank you for your consideration.

Church is essential, Mr. Pallister. I am a firm believer and, as such, the fellowship we have for an hour, once a week, is necessary for personal growth.

I believe with all my heart that it is our God given duty to worship in a church to assemble with fellow believers to further the Kingdom of the one who Reigns forever and is our highest and foremost authority.

Please will you open up our churches so we can worship our great God and Saviour?? Thank you kindly!

Thanks for all your hard work in this difficult time

Church is essential

I am not a leader or authorized person of our church, but a Sunday school teacher who wants to spread the word of God to everyone. Thanks for your effort.

Please let us use our right to freedom of religion; and allow churches to open up, so believers can Fellowship to worship our Lord together. Thank you.

Church Community is the life of the community!

I am not a Pastor of this church ,but we are believers in Jesus Christ; would like to see the churches open up again

Please open churches at full capacity. We will use caution, if we are not feeling well, we will stay home...etc. we know the regulations but numbers are so incredibly low, there is no more reason to keep us home!

Praying for our Government Leaders that our Churches will open soon and very soon that all will be able to attend. For Christians getting together in our churches to worship it is an essential component of our worship.

church is essential to me

Praying that Our Churches will be fully opened soon. Praying for our government leaders

My wife and I would like to see the church filled to full capacity. We very much need the church family to support each other and be in contact.

I would ask you to allow the Churches to open for worship immediately, thank-you.

We would love to have normal church again Church essential thanks

Please reopen everything like before

It would be greatly appreciated to have our churches opened. Our prime minister can rally with hundreds of people on the streets where there is shouting and body on body contact. It doesn't make a whole lot of sense that we cannot have our church services where there are a whole lot less people! PLEASE REOPEN OUR CHURCHES TO FULL CAPACITY!!

If BLM and riots are permitted to gather by the hundreds even thousands- we as peaceful Christ Followers should have the same right. More so because we ARE PEACEFUL and not disturbing or destructive.

Let my people go!

It is about time!

Please open churches to 100% capacity

Unconstitutional

It would be great to worship Inside the church again.

As a pastor of the peace river gospel church I see a need to open the churches and get together for prayer to pray for each other and also pray for the government that they can manage this time right, and we need praise and worship to encourage each other to pull true this pandemic and praise the lord for what he has done

We need the church to open, since a lot of people are struggling with mental health issues, loneliness, and need their personal life with God reignited with passion by attending peaceful and meaningful gatherings.

Please open our churches .. we need to hear Gods word and reunite with our church family with safe distancing of course .. God bless you and I. The decision you make .. may you ask for Gods leading in this not mans !!! Have a wonderful day !!

I NEED the fellowship of other believers. Please let us gather together.

I am the senior pastor's wife. I say open the churches, we need spiritual guidance with other believers to keep us mentally, physically and spiritually accountable. Thanks for this consideration. Continually praying for you as a government. Thanks. God bless.

I sign the petition with a disclaimer on the clause "Pursuing this matter... Legal action in court". I will never pursue this matter in court, but neither will I continue to isolate from my church family indefinitely. In the Bible it is stated that we are to "not forsake the assembing of ourselves together" and also that we are to "obey the government in as much as it is not against the Word of God". Churches must go on, with or without the permission of the law, but our desire is to obey.

We appreciate that we could hold drive-in services, but at this point, with virtually no active cases and malls and stores opening, there should be no reason that a church should not be able to open their doors.

Please open churches

Open the church

Open children need Sunday school

Would like to see churches opening to a biger capacity, like sitting as families and filling every other or third bench.

It is important to our family that church opens to full capacity as it is essential for everyone.

Churches need to open again

Please open the churches to full capacity ASAP!

Yes please let us go back to church! It is essential to our family's well being

I'd like the church to open again so we can have Sunday school.

Church is essential. Open to full capacity ASAP!

Open churches to full capacity. We need to fellowship with fellow believers.

Too much evidence is showing that this was unnecessary.

Thank you for initiating this. We need to let our leaders know that we want to have freedom to worship.

Love to see the Church open again to full capacity.

Open the churches please

We need the churches open to full capacity for mental health.

We need the church community to open up and be the support and life changing ministry they were meant to be!!!!!

My wish and prayers are that I and my family can have our freedom back to attend church. I feel my freedom of rights has been taken from me and my family. Please let us fellowship and worship our savior Christ Jesus, he is our healer and Jesus does want us as his children of God to get together and support each other in prayers,etc.

Please open the doors for us christians

If stores can be open, churches should most definitely be open!!! If drs, dentist, massage therapists, who touch bodies, can be open to the public, churches should definitely be open. Please do the right thing and allow churches to open.

Thank you for allowing us to do drive in church. And now with retail and restaurants opening with limits lifted it's time to let people go to church, a place of hope, encouragement, community, healing and restoration.

We want to be treated like any others that are reopening their doors! This is an essential service!!

I fully agree with the above letter and am asking the sitting government to respect our request for fully opening up our churches. They are ESSENTIAL TO OUR WELL-BEING IN EVERY WAY.

When can we have church services again, please Lord help us to reopen are churches

Concrete on opening churches and helping the needy and let the corona viruse go and focus on dealing with the criminals thank you e pray for you

Please allow churches to open to their capacity. Individuals can decide if they are comfortable attending or not.

Thank you for allowing us to voice our requests.

Please allow churches to have full freedom for spiritual well being and healing

We need our church to please be opened. We are asking you to please remove the 30% capacity.

Let us praise the Lord together and without restrictions

The churches have some very smart dedicated people and can be trusted to be able to direct and adhere to physical distancing guidelines that may be suggested, but we need to have the freedom to worship in gatherings indoors without restriction to practice our right and freedom of religion. Please remove the restrictions. Thank you for your time and thoughtful consideration.

I would like to be able to have church at least 75% occupancy

I like to have church at 75% capacity ,

Open the Church

Churches are much more essential than grocery stores!!

Church is essential

Freedom of religion is a freedom in our country. Freedom to gather is our freedom. Quarantine of the sick is within governmental authority. Quarantine of the healthy is not. Repentance looks like no longer preventing us from meeting together to worship the one true God.

Could you please also include the church as an essential service. It is as important to us as our grocery stores are. Thanks

Disconnecting church members is the same as disconnecting immediate family. We need each other to survive - emotionally, mentally, and physically. Please consider your mental health and your spiritual health as you make this decision. I am praying for you, my leaders.

I fully agree to the above letter .

Church is essential. We need more prayers! "Not less"

I like the church to be open at a 100%

Our country needs corporate worship more than ever. The Christian church is fundamental to the success of our society. As we watch the US in such a divisive state, we need to open up organizations who stand for a cohesive and united Canada.

We need the fellowship of other believers to keep our faith strong

I am not a preacher but I am the superintendent in Sunday school at our church and I'm really eager to get Church opened again for all people seeing that other places are open would like to see Church be priority

If liquor stores and cannabis stores can be open and considered essential services then the church should be opened as well and if not this is discrimination!!!

I would like to be able to worship like before. But I don't want to go to court about it.

Thanks

It's essential For us us Christian believers together and a church as family.

Please lift off the restrictions on churches.

If bars, clubs, malls and restaurants can be open then let me get back to church.

Government policies seem to be based on fear, not facts. Time to open everything up!

With Mall, Restaurants and the borders open for travel, I believe churches should be as well. It seems to be a breach of civil rights to me.

I wish we held the same social distancing standards to church's that we do to the public. It is a double standard to allow a lack of social distancing in large groups such as protests and political gathers but not in church's. We wish equal treatment

I want churches to re open

It is not acceptable that restaurants can open at 100% while maintaining distancing, as well as businesses, etc. and churches are limited to 30% capacity and 50 people. This is very discriminatory. Thank you.

I believe strongly that churches should resume being able to meet in person for services at full capacity. Malls, restaurants are open to full capacity. People who are sick should stay home but those who are healthy should be able to attend services. I think we continue to sanitize our hands, practice good safe practices, no hand shaking or passing of offering plates, and we should be able to resume our services. Thank you for all you have done to help our province be so successful in flattening the curve but please hear our voice in regards to opening churches and allowing for freedom of worship.

Larger churches NEED to be allowed to full capacity.

Malls are allowed to be open, restaurants, bars and movie theatres, people need to have their churches reopen too! The longterm mental and physical damages will be more then the short term let's protect people from the 6 active cases. People can socially distance and be allowed to worship.

Allowing other places to open at full capacity and not churches is not right!

I want all churchs to reopen ASAP

I am a member of the church.

This goes against our right to Freedom of Religion. We need to be able to go to church and worship freely. We are also voters Mr. Pallister, not just "church goers" and will keep your actions accountable when the next election arises.

First, thank you for all that you are doing. This time is not easy and I think making decisions would be extremely difficult, especially at a government level. I pray for my government leaders quite regularly and I know that you will not please everyone with any decision you make. I do feel you are trying to do what you think is best. We are fortunate that our numbers have been low and things are going relatively well. However, if malls, bars, retail is open, it makes ZERO sense to me why churches can't be open as well. We're opening up beaches, campgrounds, borders. If we're gonna do this, we should just go for it all, like EVERYTHING ; churches, schools etc. The mental repercussions of all this, have been devastating, in my opinion, and people need their church communities.

We need our church open so we can practice our religion safely as community!!

I actually had someone who teaches at the University Medical School tell me that the Government knows that Christians can't be trusted and that's why they've added extra restrictions on Christians. The takeaway for me was that regardless of the flawed reasoning behind it, this University level educator understood that Christians were being singled out. What other times in our history have religious groups been singled out from the masses and discriminated against? Given our current social climate I'd think great measures would be taken by our Conservative Govn't avoid ANY kind of discrimination. Stepping slightly back to the reasoning offered by the educator, which this governments actions seem to validate; are we really supposed to believe that a bar of possibly inebriated individuals are more trustworthy to follow social distancing gridlines that church dedicated to caring for people?

This is not right and the rules have clearly singled out churches.

Please allow churches to open. Discrimination against religious organizations is still discrimination. Malls, bars and restaurants are allowed to be open, yet churches not.

Church is an essential part of many peoples lives (including mine), and I believe that my church, as well as many other MB churches, should reopen to the public.

Springs church has been very diligent in following the guidelines of the province.

It is essential for our social, spiritual and mental and physical health to continue to gather with like minded people on a weekly basis.

It's time to move on from this farce of a pandemic!

If Trudeau can go walk with protesters and rioters let the people go to Church.

Thank you for having my voice count.

Open our Churches

Lookin forward to go to church again.

I personally really miss the church services! I think that in all this, churches should be open so that we can build our faith and remain strong in our relationship with Christ! Jesus can do anything and He only lets that happen what is best for us even if we don't understand!

Thank you

This is an important holistic part of the well-being of all Christians.

PLEASE..bar's are open!! Time to open churches

I am very disappointed in the discrimination and lack of respect for our ability to practice our faith and worship and gather together, when you have allowed other businesses and groups to gather. You have shown a lot of disrespect for our rights in every regard and now enough is enough and we want our freedoms back and our ability to live our lives without being told to live in fear at every corner.

If malls, restaurants, bars, Walmarts, and Costcos can be open - and if large groups can walk the streets for a prolonged period of time - so to should churches be open.

It's time to open up churches at full capacity. If restaurants and bars are opening at full capacity, I feel that churches should be able to as well. We are honorable citizens that will uphold the guidelines needed to follow in order to be able to gather again. Please reconsider your decision to only have 30% capacity in a building that is much larger than most restaurants or bars which are allowed full capacity.

Our Churches NEED to open and Worship freely!

Pls let us back in

Open our church. If you think horny kids in a bar will keep apart then you have lost your mind. Hope you don't have young kids in that age bracket.

Let us back pls

Thank you, Premier Pallister for doing a great job so far. It is greatly appreciated.

Pls re open churches

We want our churches to be opened as part of phase 3.

We appreciate your leadership and how Manitoba has stopped the spread of COVID-19. Please allow our churches in Manitoba to worship in a safe place and increase our capacity in our buildings. Norman

Ways past time to get back to living.

Church is very important to the emotional and spiritual well-being for the people who choose to go. If there is an opening in many other areas of society, churches must also be allowed to open to take care of the needs of their members, and not be discriminated against.

How is it possible that Costco can funnel through thousands of people every day and church goers can not be allowed to attend a church service and self distance? Viruses don't discriminate.....A virus doesn't enter a building just because it's a church and not a Bar or a restaurant or a liquor store or a grocery store.....

Too many people are suffering as they enjoy going to church. Depression is common problem. Some church goers need fellowship. And prayer

We need the coming together of the body of Christ for worshiping, growing in His word, fellowship and so much more!

Our church is our community and we need that back! I trust my church can do this with our utmost safety in mind

Open churches please

Seriously Open the houses of worship

We need our church family

Please consider being fair to all people and establishments, not just a few who will generate tax dollars for the government from their businesses. Thank you.

We would love to have our church open as you have opened up malls and restaurants which is more higher risk

I'm disappointed with you and your government with the decision to open up malls, where many people walk through and spend hours shopping. Bars (NOT ESSENTIAL) and restaurants are able to be opened and allow many people but you are keeping limits for church's that are not the same for the other things mentioned above. It doesn't make sense the decisions you make. Your logic doesn't make sense. I'm a PC'er, some of the decisions you & your government have made don't make sense. Your logic is illogical & surprised you can't see that. Thousands of Christians and I believe that churches are essential and people including criminals have been transformed and become better people because of church. I guess I'm more than disappointed, I'm ticked off. I hope you all reconsider. Churches have responsible people that happily volunteer and they would follow protocols, which are stupid anyway, but they would abide by protocols. As many people who get sick and die from corona are so much less than every year during flu season. This complete shut down due to covid has been all BS.

Yeah let's get this moving forward.. no difference between going to church and heading to the mall or a grocery store.... The way most of these businesses handled

the social distancing.. I am surprised that somewhere like springs who has always been fantastic at managing crowds has not been given the opportunity to do so

Thank you for standing up for our health and life. We need to get back together to keep our community going for Jesus Christ. He said not to forsake the assembly of God. It is evident that those countries who have the freedom of Jesus to be worshiped freely have a better economy and peace among each other then other countries. Jesus is the Healer of all sickness. Nothing can heal a human being like Faith in Jesus Christ Healing.

We need the hope Jesus Christ more than liquor stores.

It's absurd that bars and malls and restaurants can open at full capacity but not churches!!

I strongly believe that faith is essential to mental health and overall well-being. If we can have malls and bars and restaurants open, we need to have churches open.

In this time of distress, people turn to their faith to find hope and coping strategies through God the maker of the heaven and earth. Please spirituality matters and is of great deal to many follower of Christ.

Blessed is the Nation who make the Almighty thier God

We need our place of worship opened, it is only fair and the right thing to do

The current rules are political, not for "health" reasons. Please Mr. Premier, OPEN up all places of worship WITHOUT ANY restrictions. I do not want to live in a Communist state and by continuing these current restrictions on people's movements you are agreeing that Manitoba should be in line with Communist state!

Please it is time we consider the place of worship as part of essential duty. This is because every effort of man that negates the true essence of God will definitely result in total futility and that is the experience the world is facing with covid 19. Let's bring God into our situation by reopening our places of worship.

Get churches open

Our spiritual lives are the foundation of our lives and friendships. We need church and community.

These closures and restrictions are charter violations. The health orders are illegal and any ticket should

Be contested.

Thank you!

Please open churches as they are essential for all people!!

What would Jesus Christ the son of God do. Would he stay at home. We need him now.

Churches provide immense support to people in need, including those who are sick, struggling financially, and/ or have relationship issues. COVID-19 has exacerbated many of these common issues in people's lives and right now, the church is needed more than ever to be up and running at full capacity to provide the support that is desperately needed. COVID-19 is more than just a public health threat. It is a threat to people's livelihoods, relationships, and mental well-being. I implore with our government leaders that they would see fit to allow the church to open at full capacity during the phase 3 re-opening of Manitoba. Wearing masks, hand sanitizers, and all other forms of infection control can easily be implemented and thereby keep people safe. As a healthcare worker I have seen firsthand the devastating effects of people being kept apart from their support systems in a hospital setting. Similar devastating impacts are occurring in the community as people are kept away from support systems like a church community. It is important for the health of all Manitobans that we are able to reconnect with each other in our respective support systems in the safe and prudent manner. Doris Miller

This limitation is a discrimination and is against our rights.

Thank you in advance

I would like to sign the petition

Asking to remove all limits for gathering in our churches ; that they are once again open for us to practice our religion freedom.

Me Premier, I trust you as a member of the Conservative party to make the right judgement and allow churches to be opened to full capacity. As a church we care deeply about our congregants and will do our utmost to make sure all safety measures are in place to make sure people abide by the rules to keep each other safe and healthy. Looking forward to a positive response. Jaime M Rodrigues

If Walmart, Costco And all other stores can be open and are called essentials then the churches should be opened as well,,, No exceptions!!!!! We need our churches open!!!!!!!

I miss getting together with the people I once attended church with - I am tired of online church. Church at home is not the same ... Thanks !!

I Agree for the Churches to be reopened at full capability. I miss my fellow brothers in Christ and also receive the word of Good.

If malls, restaurants, and protests (in very close proximity) can be reopened and allowed, then so can churches!

Please open our church. We all need it spiritually. For our mental health. Thank you.

It is past time to allow churches to gather. With the other venues allowed to open, with much reduced restrictions, churches need to be given the same respect.

Freedom to worship is a right an essential service.

If borders can open and everything else can open its time for churches to open. Come on people. Also let's allow the elderly to see their families already.

The Church is an Essential Services Organization and responsible for the welfare and total wellbeing of Manitoba Christian's and Communities. Re-open Manitoba Churches NOW.

Hi we need God's word. And all churches.

Let churches open - 100%!! If bars, malls and protests can happen, then those of us who attend church should be allowed to as well!!

Our freedoms must include the freedom to gather as believers. This is essential to faith.

Without attendance to see,hear, embrace others there is no hope

Of the increase of HIS government there will be no end!

Other groups have been able to meet. Why is it that churches are in the group being singled out. Thanks for considering my concern.

I feel it is discriminatory to not be allowed to exercise my rights and freedoms to participate in church and worshipping the God that I have chosen to serve, when you are allowing other gatherings for others who chose to spend their free time at casinos, bars, restaurants, shopping malls etc. It is also incredulous that several thousand people were allowed to attend a protest, violating many of the restrictions

that are being imposed on our province without any repercussions, yet the government continues to interfere in our right as christians, or Jews, or Muslims, or any other religious group to gather.

We agree with this petition without prejudice and do believe Premier Pallister that you will agree with our position as the church in Manitoba. We pray that you will be granted wisdom and that the fear of God will compel you to respond appropriately.

We need equal rights.

Churches are essential. Open them up so we can gather and worship.

Member of this church

Would love to worship with other believers in church again

My husband is Deacon at Gospel Chapel and we would love to meet as a church family as before Covid-19

Fairness is necessary. Discrimination against certain organizations by treating them differently, when not based on science, is reprehensible

We consider church to be an essential service to our city. Please allow churches to operate at 75% minimal capacity.

Thank you Premier Pallister for supporting us as business owners. We look forward to attending church again with our family. Our family and business have thrived through the things we have learned at church and our kids have connected with amazing mentors and friends there. They volunteer and are doing well. This is attributable very much to the church community. Thank you again. Curt & Juanita Enns

I miss church reopen them!!! :) amen

It is absolutely ludicrous that churches are not open! Church is an integral part of our Faith and you deny that is against our Charter of Rights and Freedoms!

We are members at a life giving church, we are seniors and we are law abiding citizens, we also respect our leaders and as a Christian we have respect for the people that are put in authority.
Now I think it's time that our freedom is considered to whorship and come together as a church community, it is essential for us and the health of our Spirit, Mind and Body, before we become totally dependent on the medical system we are in our early 80 and late 70.
We pray that your government makes the right decision Thank you,

I am in full agreement in the full reopening of the Manitoba churches. Thank you.

We need to reopen our churches to worship God he is the only way what we can make do with all this pandemic if we can't worship Him that means he can't help us please let us reopen the churches

Lift all restrictions. There is no basis for continuing the restrictions.

Reopen churches

We need our churches opened at 100% capacity with 3 feet distancing!

We need to have 100 % capacity in our churches with 3 feet distancing starting this Sunday!

I am not a pastor but I am a church attender and as well a legal voter in the city of Winnipeg. I agree with this petition and I will stand with this petition and obviously continue to pray for our leadership to continue to do what is right for all people as you have been elected to do so. Thank you

Time to give everyone, including churches and church goers the freedom and responsibility to make their own choices regarding their own health. The lock downs must stop. The price is too high. Freedom trumps fear. Good intentions are not good enough reasons for any govt to deny its citizens the right to congregate for church.

I am shocked at religious bias This government is putting out in this politically correct society we live in Fairness should go to all people grouPs Please consider the benefits of faith in our society

Please open churches now!!

I am in agreement with this letter and would like to attend my church in person in the phase three re-openings. It is our right as Canadians to be able to peacefully gather

and worship God. I would ask that you re-open churches along with the bars and malls. We would like our rights upheld. Thank you.

People need God's Love, Hope and Peace taught in the church!

The church is a place for people to receive help and healing....desperately needed in this day!

I am a congregational member and I need the church to reopen

Please open our Churches!

we have been praying and trusting God for a time of re-union with the brethren again after a long period of lock down

Stop lying to people and trying to shut down religion. People are awakening and you will lose.

Please open churches!

If 15000 people can march in safety there is no reason as to

why the churches cant open either.

I will like church to be open.

Have faith in believing that citizens who come together to worship are capable of making healthy choices.

I agree with this petition to re-open our churches in Manitoba.

Please reopen the church

I agree with this petition to re-open Manitoba churches.

It is time Premier Pallister to open churches wide open. There is no evidence that limitations should remain!

Church is essential

We need a leader in our province that stands up for what is right. And to open churches is what is right. So please be strong and do the right thing

Please reopen our worship place fully and completely There are many protestors groups allowed but no groups of worshipers Whats wrong with this picture?

I have attended church here since I was very small. I believe in the need to be safe, but based on the facts, Winnipeg is very low risk. As educated and respectful people we have a right to peaceful assembly. Please change the policy so me and my family can attend our church with our church family. Thank you Premier, we have all been praying for wisdom and peace for you. - Madison Zahari

God above all.

we are safe, we are responsible, and Church for us is an essential part of life.

Church are we people but the people should be able to be together and encourage each other in person.

It's in my neighbourhood and my neighbour is really declining fast without her weekly visits.

Open everything! Our cases are so low and it's not going away

Open up now

I am not a pastor but a church goer. I do not feel we are being treated fair because bars are open and other restaurant type bysiness and large gyms like the Refit Center and Shapes . Why are churches being picked on when all they do is good. Please reconsider your position

We look forward to a positive response.

Please open churches now. Keeping them closed is an unnecessary restriction. Thank you

Please allow churches to open to worship God in fellowship.

Thank you.

The FACTS do not justify further shutdown

Open churches

I'm Pastor Ben Neufeld From Eben-Ezer mennonite church Arborg MB. I want freedom in church opening to proceed

So that we could serve the Lord and free

The church provides spiritual and emotional support and needs to be opened at this time to function in that capacity.

We need to open churches that people can be get together again and serve and worship the lord together again in christ and serve the Lord in Freedom. Blessings.. Thank you

I miss being able to get together with my youth group.

Missing childrens bible hour alot.

End this and every lockdown now. It is absolutely unnecessary.

I believe that our church (as well as other churches in Manitoba) will be able to do what is needed to keep safe social distancing and other safety measures.

Church life is crucial to the well being and stability of thousands of manitobans, please take of all limitations. If bars can be open to 75%, where people get drunk and then possibly drive drunk, why can the church only be 30%, and it's the place people get greater joy and peace to face live's many challenges. It's also the organization that brings mental; physical; financial; spiritual and relational help to thousands, bringing about a much healthier Manitoba. Why would you limit such a vital and needed organization?

I believe that meeting together as a Church body is one of the best things we can do in times like this and any time. Worshipping God together is powerful and fellowshipping together is mentally, spiritually, and emotionally healthy.

I believe that churches should be opened with practicing the social distancing guidelines. Why Not?

If 15,000 BLM people can protest at the Legislature,-- then its a double standard not to let people congregate in Churches.

I agree to the above statement

Beaches are full, restaurants are allowing people, Cotco is busy. Open up churches please

This community needs the church to be open.

Let's give church's the same privileges as other segments of our province.

Please let church's have the same rights as bars and restaurants. We are a caring organization that will take responsible steps to open safely.

I am one who believes in the utmost of freedoms. This whole lock down is a travesty to the freedoms of Canadian citizens and it needs to be lifted completely.

We love church to hear the word of God

If restaurants and bars can meet in full capacity then so should places of worship. There is absolutely no difference between the two.

We need Church back if we can gather at protest why cannot we gather in our churches

Church is a essential part of my life, and as a family it's a great and wonderful strength that we all draw off of each other, which makes us a strong force others can depend on when dealing with life . This is such a need in life today .CHURCH IS A MUST

Church is an essential service. It is a place of peace. A place for people to reach out and help one another. It is a place of healing - be it physical, mental, or emotional. Tina Funk-Lawson

I dont currently go to church but I would like to see them reopen

It's not okay that churches are closed but the government is supporting protesters in groups of thousands. Please do something about this!

... I am completely and totally comfortable with our church reopening and I definitely will be attending the first service that they do open. Thank you for hearing our voice and for reading this letter.

Limiting any church to only 50 people is so wrong, given the fact that may other outlets can have more such as up 50% capacity at any given time. There appears to be a double standard here!

Please open up Manitoba churches

Churches should be an essential, with responsibly!

Church is necessary!

I believe our church can open in a safe manor. Thank you!

I am The Lord Thy God, thou shalt not have other gods before me

Silly already

Please reopen the churches because people DO NEED THEM...

Please allow services to commence again.

Spirituality is an essancial need in the life of people. Churches provide essential service to many Manitobans where by people meet to strengthen their spirity before they could face mental healthy challenges due to extended isolation and every day life struggle. Please help us excercise our freedom to worship

Open churches

Churches are essential for the mental/spiritual health of the people. Please let us worship Jesus with out Restrictions.

We desperately need to be able to gather with our brothers and sisters in the Lord.

Thank you

Our church can hold over 1,000 people and to limit it to 50 people is totally unacceptable. Our church could easily handle 500 people under the social/physical distancing guidelines currently in place. Why are you allowing 100 seat restaurants & bars to have 75% capacity but our church under 5% capacity. Makes no sense at all to me.

Stop this bullying of Christians. The fact that bars can operate at full capacity and the churches are so limited is not acceptable. The church is as important to Christians as the bar is to those who frequent the bar.

Please allow full assembly at Church. Thank You Mr. Premier.

my family needs their church back asap. thanks

kindly increase the capacity of church members.

Opening us churches would actually be doing this province, country and world a favor because only through worship, the word and prayer does God start to heal and fulfill. Please consider the power of the church when making your decision.

Allow us to pray in the house of God. This will transform our current situation for the better.

The solution to the world's problem is only in Jesus Christ, for He is the WAY, and the only way to tread and maintain the WAY is the CHURCH.

One thing churches so is provide people with issues a place to retrain their own though patterns. A place to realize we are messed up but can get better, grow and even thrive. A place where people go to produce for this country instead of on the streets committing crimes. A place where we, I, know I am loved no matter what by Him who created me, GOD. I know that now, because I have been going to a church, I didn't know before and so many people still don't know that they are loved by Him no matter what. And that, Love, real love, not superficial love, changes everything. So many people now more than ever need to know this simple but powerful truth. They need a place a refuge they need to know Him. Thank you, Church changed my Legacy, will you let it change others? Christine Beckman

I m a member of this church for 20 years and would love to go back to church worshiping Jesus and ministering to the people that come here

If we we're a bar we could at least gather lol

Allow the church to manage theselves s they see fit and consider the church an essential service to the community.

Long overdue to reopen

Please !

please let us get back to going to church with full congregation without restrictions...

Thank you for giving us our spiritual strength to keep going in these times

Amen!

This is no different than many public venues. Don't discriminate. Christian lives matter

I am a member of the church

I am wife of a Pastor of our church and minitry help. Please accept our signed for petition. Thank you wnd God bless you.

We need Churches opened like yesterday. The same regulations applied to other places open at full capacity can be applied to churches too.

We need church and God more than ever

Please open all churches. The risk of spreading corona is low now so there is no need for them to stay closed and grocery stores open regularly now. Thank you

Good bless

Active member, loving to minister and encourage people that come there

People need churches. We need to worship together. It's good for your mental health. In my eyes it's a necessity.

I believe the church is also an essential service, as just think of all of the community outreaches they do; without churches in our community, we wouldn't be where we are today. I would say that the church's reopening is far more important than the bars; as what do the bars often create? Well, perhaps, that is a question that not only the community but its leaders also need to think about these days.

Churches are an essential service to the community and assist in meeting emotional, psychological, and spiritual needs.

Places of worship have not been adequately addressed in any of the re-opening plans, and it is not justifiable that they cannot provide services under the same terms as restaurants and shopping malls.

As a Springs church member I am extremely disappointed to find out that in COVID 19 Phase Three of reopening we are still restricted as to how many of those wishing to attend, cannot because of only allowing 50 individuals per room. Springs Church has been very respectful of keeping all the rules throughout the COVID 19 Pandemic to ensure we were not seen as helping to spread the virus. However now that other establishments have been given much broader parameters from which to operate we cannot help but wonder why churches have not received the same considerations. I, as a member of Springs Church respectfully request that you reconsider lifting these unreasonable restrictions in view of our Province's low numbers of infections and that we receive the same consideration as other establishments when it comes to numbers of people gathering within our church building. Thank you

Sorry, It's absolutely wrong to allow some establishments to manage safe operations with virtually no restrictions and then keep a grip on others.

I appreciate you taking the time to read my email, and I appreciate the response, I have some more thoughts: you say:
"These restrictions will not be in place forever. We need not lose our perspective. The temporary inconveniences they may impose on us are small when we consider the significant impact they have in saving lives."
If I can respectfully push back, I would say that I find it extremely troubling that our leaders consider the complete removal of all of our freedoms to be 'temporary inconveniences.' A year ago if someone would have told me that our Conservative leadership would impose an absolute lockdown, declare the Church to be "non-essential" run our economy into the ground through forced business closures, encourage manitobans to report on their neighbors for having thanksgiving gatherings, hire private security firms to enforce their draconian measures, I would never have believed them. Maybe in Communist China, but not under a conservative government in Manitoba...
You speak of the lockdowns saving lives. To this point, I have seen zero evidence that they do so. None. The States, and countries that have locked down report very similar or in some cases worse Covid numbers as the states and countries that have not. One thing we do know about lockdowns is that they are incredibly damaging. The lockdowns are killing people. Opioid overdoses, alcoholism, missed cancer and heart disease screenings and diagnoses. There are many doctors who are now warning about all the adverse affects of the lockdowns.
I don't believe the government is responsible for COVID-19, but the actions they have taken in fighting it (which have not proven to be effective) have and will continue to cost many people their lives.
So please don't dismiss these concerns as a matter of 'inconvenience vs. saving lives'
It is trite and dismissive to refer to the taking of our God-given freedoms as nothing but "inconveniences", and there seems to be no thought given (at least judging from the messaging of Pallister and Roussin) to the unintended consequences of these lockdowns.
The Lockdowns are killing people.
I pray that you will have the courage to speak up on behalf of your people, even if it means challenging the party lines.
Thank you again for your service, and for your interaction.
We will continue to pray for you.
God Bless.

Dear Riley,

Thank you for your email. I appreciate hearing your comments and concerns, and I regularly discuss matters such as the ones you raise with colleagues at the Legislature.

These are certainly difficult times, but we will get through this together. We are all on Team Manitoba, and we all have a role to play in helping each other get through this public health challenge.

We are at a serious crossroads in fighting this pandemic.

We have pleaded with Manitobans to follow the fundamentals and to significantly reduce their contacts, and the numbers continue in the wrong direction. It is clear that further action is needed, and it is needed now to protect Manitobans.

As a result, we have introduced a set of stringent restrictions that are designed to act as a "circuit-breaker" to halt the spread of the virus and change the trajectory of high and increasing infection, transmission, hospitalization and morbidity rates.

The message is clear, and we know what to do: stay home and limit your contacts. Limiting our contacts stops the transmission of this virus, and we all need to stay home as much as possible to significantly disrupt the transmission of the virus we are currently seeing.

These restrictions will not be in place forever. We need not lose our perspective. The temporary inconveniences they may impose on us are small when we consider the significant impact they have in saving lives.

Thank you for your efforts to practice the advice of our public health officials, and for the sacrifices you have undoubtedly made to help our province get through these difficult times.

Thank you again for taking the time to write to me. Please don't hesitate to reach out again if there is any way in which we can be of assistance.

Sincerely,

Subject: Lockdowns

Greetings.

My name is Riley Toews, I am a pastor in Altona, and a concerned citizen. Firstly I want to thank you for your service as our representative, and let you know that in our Church we pray for you and our other civil leaders regularly. My concern is with the lockdowns that have been imposed over the past few months, and particularly this latest wave of shutdowns that have been imposed. There are many Manitobans, and particularly citizens in your constituency that see these lockdowns as a severe limitation on our civil rights and freedoms. There seems to have been a shift recently in public perception that it is the government's job to ensure that their citizens never get sick, people blaming Premier Pallister, holding him personally responsible for the spread of COVID-19 and the damage that it's caused. This is extremely unfair to blame the government for the spread of a virus, and I believe that as the government has felt the weight of responsibility for this, they have then granted themselves (through emergency orders) the authority to restrict our charter freedoms, with stay-at-home orders, business closures, and the recent banning of all Church services. My request is that as our representative, you would do whatever you can, use the influence you have to stand up for the freedoms of your people. The government is not responsible for COVID-19, and the belief that they are has led to very concerning measures being taken, as our freedoms are taken, and we are treated as subjects rather than citizens. Thank you for taking the time to read this, and I wish you all the best as you continue to serve your people.

AFFIDAVIT OF TOBIAS TISSEN

I, Tobias Tissen of the City of Steinbach, in the Province of Manitoba,

MAKE OATH AND SAY AS FOLLOWS:

1. I have personal knowledge of the facts and matters hereinafter deposed to by me, except where same are stated to be based upon information and belief, and those I do verily believe to be true.

2. I am an adherent of the Christian faith and am a minister at The Church of God located in Steinbach, Manitoba. I have been a minister there since 2013. Prior to that time, I was involved with the children's ministry, and assisted the other local ministers with their duties. Before the Covid-19 pandemic arrived in Canada, I helped to lead our church's service on Sunday mornings at 9:30 AM and 5:00 PM, and Wednesdays at 7:00 PM. There are approximately 140 members in our church who would attend these services. I assist in leading worship, and occasionally preach and teach Sunday School for the adult class.

3. Since the pandemic arrived, our church has faced closures and restrictions which have prevented us from worshipping together in-person. The Province of Manitoba's Chief Public Health Officer imposed Public Health Orders between March 2020 – May 2020 in response to Covid-19. As part of the restrictions listed in these Orders, churches were required to reduce the number of people who could worship together to 50, and then to 10. A copy of the relevant sections of those Orders is attached hereto and marked as **Exhibit "A."**

4. Into the summer months, restrictions on worship were eased but were never lifted entirely. On or about November 21, 2020, the Province of Manitoba approved Dr. Roussin's Public Health Order that restricted any kind of in-person worship at our church. A copy of the relevant section of that Order is attached hereto and marked as **Exhibit "B."**

5. We are still not permitted to worship in-person under the current Order which is in force dated December 22, 2020. A copy of the relevant section of that Order is attached hereto and marked as **Exhibit "C."**

6. These Orders have been devastating to our congregation. Scriptures mandate that believers congregate together for worship. For example, in Hebrews 10:24, 25: "And let us consider one another to provoke unto love and to good works, Not forsaking the assembling of ourselves together as the manner of some is; but exhorting one another: and so much the more as ye see the day approaching." Also see Ephesians 4:16: "From whom the whole body (church) fitly joined together and compacted by that which every joint (member) supplieth, according to the effectual working in the measure of every part, maketh increase of the body (church) unto the edifying of itself in love." In Acts 4:19, 20: "But Peter and John answered and said unto them, whether it be right in sight of God to hearken unto you more than unto God judge ye. For we cannot but speak the things which we have seen and heard." Also Acts 5:42 "And daily in the temple, and in every house, they ceased not to teach and to preach Jesus Christ." The Scriptures establish an imperative to have regular corporate worship.

7. Even in times of terrible persecution against believers they still met together in worship and in praise. As Christians we draw strength from God and His Word to get through difficult times, and more often than not that happens during worship service. If you cut off our corporate worship, to a large degree you cut off our opportunity to derive strength from one another. This has always been the case for Christians throughout history in the midst of the severest persecutions it was important for them to assemble for worship.

8. Even during the Roman persecution under Nero when Christians found worshipping and spreading the Gospel were tortured and killed, they still obeyed God's command. In Russia my own ancestors faced persecution; they were ordered to cease all worship but they worshipped

regardless. My father's great grandfather was shot for preaching the Gospel. Many of our fellow Christian brethren who have been persecuted stood up with no law backing them, but they did it anyway because of the love and respect they have for God.

9. I am thankful that I live in Canada under a *Charter* that recognizes the supremacy of God and provides freedom of religion, the right to worship, expression and assembly. Especially during difficult times such as we currently face, I believe it is vitally important to be able to physically observe fellow-worshippers' expressions of courage and joy as they react to the worship service. Acts 4:31 "And when they had prayed, the place was shaken where they were assembled together; and they were all filled with the Holy Ghost, and they spake the word of God with boldness." Our Humanity does not disappear when we worship. I believe God wants us to worship Him on our humanity and that means being together to worship.

10. Beginning in the spring of 2020 until the present moment, church congregants in Manitoba have faced varying levels of restrictions on their assemblies, as well as on the freedom of expression of their beliefs. I believe that these restrictions infringe on my freedom to express my beliefs and preach the Scriptures to my congregation in a way that aligns with my conscience. My conscience suffers when I am not able to attend in-person worship and practice my beliefs amongst the congregation together. In person services are the expression of my belief in unity and living as part of a loving community of Christians. I am not able to express my belief in unity and community to a computer screen when I cannot see the reactions of the congregation to my words. There is no community between myself and a computer screen at home.

11. We attempted to have drive-in services when in-person services were restricted in November 2020. This gave the congregation a sense of being together but there was, of course, no connection or interaction. Participating in this kind of service was not participation at all according to biblical mandates to greet one another, help each other, and sing and pray together. The reality of the congregation sitting in cars side by side is that we are still physically separated from the congregation. I feel that not being able to truly be physically together, worshipping in a church, inhibits the ability of every Christian present to contribute towards edification, encouragement, and exhortation to love and good works. Meeting online is even worse, and in my view offers no sense of togetherness.

12. Christians aim to live lives which bless society. We are peaceful and wish to be at peace with all people (Romans 12:18). I believe that the health orders target religious people, however, and draw a distinction between what the state says is an essential service, like the ability to buy liquor and marijuana, and churches, which it claims are not essential during COVID-19. Singling religious people out for different treatment and the threat of punishment creates a pervasive fear of authorities. The *Charter* protects the practice of religion and the gathering of people for religious reasons, yet the health orders target those who exercise these fundamental rights. We live in fear of punishment for holding Bible studies and church services.

13. On November 23, 2020, I was at my residence and four vehicles pulled onto my driveway at or around 7:00PM. Two of these vehicles were RCMP vehicles and two were health officials. They came to my door and issued two separate fines in the amount of $1296.00 each. One ticket was ostensibly for speaking at a freedom rally in Steinbach on November 14th,

2020, which was a peaceful protest allowed under the *Charter*. The other was for attending a religious worship service. They did not give any explanations nor answer my questions in regard to my rights under the *Charter*. A copy of these tickets is attached hereto and marked as **Exhibit "D"**.

14. On Sunday, November 29, 2020, at 9:30 a.m., I attempted to host a drive-in church service at the Church of God's parking lot. RCMP officers were on the scene and they blocked congregants from parking in the church parking lot. I was determined to exercise my *Charter* right of expression and worship, and to try to facilitate the church's congregants doing the same. When the RCMP blocked the entrance to the church parking lot, the congregation who had attended that day parked on the highway. The RCMP called a tow truck to remove vehicles. When it approached the first vehicle to tow, I placed myself in between the tow truck and the vehicle it was about to tow, and began to pray. When I was praying, I told the RCMP officer that he was "fighting God." After that moment, the RCMP officer instructed the tow truck driver to leave without towing any vehicles.

15. A few days later, a provincial health officer met with me and gave me two "warnings" in respect of that drive-in service. One was for me, and states that I could be fined up to $1,000,000.00 or spend one year in prison for hosting another drive-in service. I do not want to go to prison for exercising my *Charter* protected rights of expression and worship. A copy of my warning is attached hereto and marked as **Exhibit "E"**.

16. I attended another drive-in service on Sunday, December 6, 2020. The RCMP were present but did not block our congregation's vehicles that

day. Once we finished our service, provincial health officers gave me further tickets for not abiding by the warning on November 29, 2020 and for attending that day's drive-in service. Both tickets are in the amount of $1,296.00. Copies of those tickets are attached as **Exhibit "F"**.

17. Despite the fact that drive-in church services pale in comparison to in-person worship for the reasons I have explained above, I lead drive-in services for our congregation just so that we can be in the same vicinity while listening to a sermon and listening to the power of prayer. It is really our only option, as online streaming of church services at home takes away the human touch that is so desperately needed to calm the anxious mind and give peace to a restless situation.

18. It is absolutely devastating to me to have all of these restrictions on our congregation. We want to worship together, unencumbered by restrictions on our numbers or manner of worship. The restriction on drive-in services, which has recently been lifted, was especially cruel and irrational, considering that people can go to big-box store parking lots in large groups, exit their vehicles, and stand in line together to get into a store without being punished by the government.

19. These Orders have affected my own well-being in that a minister cannot properly look after the mental and spiritual health of his congregation from a distance. These restrictions cause me personal distress as I care for the flock of God. Stress has been on the rise in our communities, as our people have suffered mentally through all of the isolation. These lockdowns and church restrictions have taken a mental toll on me. Seeing my friends and neighbours suffering under heavy-handed

restrictions is hard to bear, knowing that I cannot do much to physically provide aid.

20. I want these charges to be dropped and the protections in the *Charter* to uphold my conscience, worship God, express myself and assemble peacefully in person with my congregation to be so upheld.

21. I make this affidavit *bona fide*.

(Section 67)

WHEREAS:

1. The pandemic caused by the communicable disease known as COVID-19 is creating public health challenges in Manitoba that will continue to evolve and that require urgent actions to protect the health and safety of people across Manitoba.

2. I, Dr. Brent Roussin, Chief Provincial Public Health Officer, believe that as a result of the COVID-19 pandemic

   (a) a serious and immediate threat to public health exists because of an epidemic or threatened epidemic of a communicable disease; and

   (b) the threat to public health cannot be prevented, reduced or eliminated without taking special measures.

3. The Minister responsible for the administration of *The Public Health Act* (the "Act") has approved special measures being taken under clauses 67(2)(c) and (d) of the Act.

THEREFORE, I am taking the following special measures, as authorized under the Act:

ORDER 1
Pursuant to clause 67(2)(d) of the Act, all persons are prohibited from assembling in a public gathering of more than 50 persons at any indoor or outdoor place or premises. This includes places of worship, social gatherings and family events such as weddings and funerals.

EXCEPTION
This Order does not apply to the following:

(a) a facility where health care or social services are provided;

(b) a retail business (including a grocery or food store, shopping centre, pharmacy or gas station), provided that the person in control of the retail business implements measures to ensure that persons attending the business are reasonably able to maintain a separation of at least one metre from other persons attending the business;

(c) a public transportation facility, provided that the person in control of the facility implements measures to ensure that persons attending the facility are reasonably able to maintain a separation of at least one metre from other persons attending the facility.

ORDER 2
Pursuant to clause 67(2)(d) of the Act, all persons are prohibited from assembling in a public gathering at any restaurant or other commercial facility where food is served, licensed premises under *The Liquor, Gaming and Cannabis Control Act* or any theatres offering live performances of music, dance and other art forms as well as movie theatres (the "hospitality premises").

EXCEPTION
This Order does not apply to hospitality premises if the operator of the hospitality premises limits occupancy to 50 persons or 50% of the capacity of the premises, whichever is the lesser, provided that the operator does not serve food buffet style and implements measures to ensure that persons attending the premises are reasonably able to maintain a separation of at least one metre from other persons attending the premises.

Dear Dr. Roussin:

RE: Orders under section 67 of *The Public Health Act*

Pursuant to subsection 67(3) of *The Public Health Act*, this correspondence confirms that I, Cameron Friesen, Minister responsible for the administration of *The Public Health Act*, approve special measures being taken by the Chief Provincial Public Health Officer under clauses 67(2)(a), (c) and (d) of *The Public Health Act* in response to the COVID-19 pandemic.

Cameron Friesen
Minister responsible for the administration of *The Public Health Act*

THEREFORE, I am taking the following special measures, as authorized under the Act.

TERMINATION OF PREVIOUS ORDERS
My Orders dated March 30, 2020, are terminated and replaced with the following:

ORDER 1
1(1) All persons are prohibited from assembling in a public gathering of more than 10 persons at any indoor or outdoor place or premises. This includes places of worship, social gatherings and family events such as weddings and funerals.

1(2) This Order does not apply to a facility where health care or social services are provided.

ORDER 2
2(1) All restaurants and other commercial facilities where food is served must not serve food to customers for consumption at their premises.

2(2) This Order does not prevent food from being sold for delivery or takeout if the person responsible for the restaurant or commercial facility implements measures to ensure that persons attending the premises are reasonably able to maintain a separation of at least two metres from other persons who are attending the premises.

ORDER 3
3(1) The operator of a business that is not listed in the Schedule must ensure that the place of business is closed between 12:01 a.m. on April 1, 2020, and 12:01 a.m. on April 14, 2020.

3(2) Despite subsection (1), temporary access to a closed place of business that is not listed in the Schedule is authorized, unless otherwise prohibited by any applicable law, for any of the following purposes:

PAR CONSÉQUENT, j'ordonne la prise des mesures spéciales qui suivent, conformément à ce qu'autorise la *Loi*.

RÉVOCATION DES ORDRES ANTÉRIEURS
Il est mis fin aux ordres que j'ai donnés le 30 mars 2020 et ils sont remplacés par ce qui suit :

ORDRE N° 1
1(1) Les rassemblements publics de plus de dix personnes sont interdits en tout lieu, tant à l'intérieur qu'à l'extérieur, y compris les lieux de culte, les rassemblements sociaux et les événements familiaux tels les mariages et les funérailles.

1(2) Le présent ordre ne s'applique pas aux établissements où des services sociaux ou de soins de santé sont offerts.

ORDRE N° 2
2(1) Les restaurants et autres établissements commerciaux qui servent des aliments sont tenus de cesser de servir des aliments à des clients pour consommation dans leurs locaux.

2(2) Le présent ordre n'a pas pour effet d'empêcher la vente d'aliments à livrer ou à emporter si la personne qui est responsable du restaurant ou de l'établissement commercial met en place des mesures visant à assurer que ceux qui le fréquentent sont raisonnablement capables de maintenir entre eux une distance d'au moins deux mètres.

ORDRE N° 3
3(1) L'exploitant d'une entreprise qui n'est pas visée à l'annexe veille à ce que ses locaux soient fermés de 0 h 1 le 1er avril 2020 à 0 h 1 le 14 avril 2020.

3(2) Malgré le paragraphe (1) et sauf interdiction contraire de toute règle de droit applicable, l'accès provisoire aux locaux fermés d'une entreprise qui n'est pas visée à l'annexe est autorisé aux fins suivantes :

16(1) Sauf dans la mesure permise par les paragraphes (3) à (5), les églises, les mosquées, les synagogues, les temples et les autres lieux de culte demeurent fermés au public tant que les présents ordres sont en vigueur.

16(2) Malgré le paragraphe (1), les chefs religieux peuvent tenir des services religieux dans les églises, les mosquées, les synagogues, les temples et les autres lieux de culte dans le but de rendre ces services accessibles au public par Internet ou d'autres moyens à distance.

16(3) Les funérailles, les mariages, les baptêmes et les autres cérémonies religieuses semblables peuvent avoir lieu dans une église, une mosquée, une synagogue, un temple ou un autre lieu de culte, pour autant qu'au plus cinq personnes y assistent, hormis l'officiant.

16(4) Le présent ordre n'a pas pour effet d'empêcher une église, une mosquée, une synagogue, un temple ou un autre lieu de culte de tenir un service religieux à l'extérieur en conformité avec les exigences prévues au paragraphe 2(2).

16(5) Le présent ordre n'a pas pour effet d'empêcher qu'une église, une mosquée, une synagogue, un temple ou un autre lieu de culte soient utilisés par une école publique ou privée ou qu'ils servent à la fourniture de soins de santé, de services de garde d'enfants ou de services sociaux.

SI VOUS NE RÉPONDEZ PAS

Une déclaration de culpabilité par défaut sera inscrite contre vous et une pénalité de déclaration de culpabilité par défaut de 50 $ sera ajoutée à l'amende indiquée sur votre procès-verbal d'infraction. Si vous ne payez pas le plein montant, il est possible qu'on ne vous permette pas d'obtenir ou de renouveler votre permis de conduire. On peut procéder au recouvrement par des tiers des montants impayés, ce qui peut avoir des répercussions sur votre cote de crédit.

AUTORISATION DE COMPARAÎTRE OU D'AGIR

Si votre nom figure sur le procès-verbal d'infraction, vous pouvez comparaître et agir personnellement ou par l'intermédiaire d'un représentant dans le cadre de toute procédure. Pour autoriser une autre personne à venir comparaître ou à agir en votre nom, vous devez lui donner une permission écrite devant être présentée au tribunal. Si le nom figurant sur le présent procès-verbal d'infraction est celui d'une corporation, vous devrez prouver que vous êtes autorisé(e) à comparaître ou à agir. Vous trouverez plus de renseignements et des formules d'autorisation à l'adresse suivante : www.gov.mb.ca/justice/tickets/forms.fr.html

AVIS DE RECOUVREMENT

Si une amende n'est pas payée au plus tard à la date de réponse finale indiquée ou dans le délai supplémentaire accordé par un juge de paix ou approuvé par le tribunal, le registraire des véhicules automobiles peut exercer les recours liés au permis de conduire et au véhicule prévus à l'article 89 de la Loi sur les infractions provinciales.

Hello Mr. Thomas,
I received your questions about cycle thresholds we use for COVID-19. Our methods are standardized nationally or are provided by commercial suppliers. In all cases, the test goes up to 40 cycles of amplification, and in one commercial method goes up to 45 cycles of amplification. It very much depends on the method used at what point we stop calling a specimen positive, but, essentially, if we can reliably and reproducibly detect a signal up to 40 cycles then a specimen will be called positive. For one of our methods we must confirm anything that meets threshold above 36.5 cycles.

AFFIDAVIT OF THOMAS REMPEL

I, THOMAS REMPEL of the City of WINKLER, in the Province of Manitoba,

MAKE OATH AND SAY AS FOLLOWS:

1. I have personal knowledge of the facts and matters hereinafter deposed to by me, except where same are stated to be based upon information and belief, and those I do verily believe to be true.

2. I am an adherent of the Christian faith and am a Deacon at Redeeming Grace Bible Church. I have been a Deacon there since 2018. Prior to that, I was a member of the same church for four years.

3. I lead our church's service on Sunday at 11:00am. There are approximately 90-100 members in our church who attend that service. As a Deacon I serve the congregation by leading in congregational prayer, serving the elements of communion, and operating the sound/lighting system.

4. Since March 2020 and the beginning of the Covid-19 pandemic, our church has had to close or face other restrictions which have prevented us from worshipping altogether. The Province of Manitoba's Chief Public Health Officer imposed Public Health Orders between March 2020 – May 2020 in response to Covid-19. As part of the restrictions listed in these Orders, churches were required to reduce the number of people who could worship together to 50, and then to 10. A copy of the relevant sections of those Orders is attached hereto and marked as **Exhibit "A"**.

5. On or about November 21, 2020, the Province of Manitoba approved Dr. Roussin's Public Health Order that restricted any kind of in-person worship at our church. A copy of the relevant section of that Order is attached hereto and marked as **Exhibit "B"**.

6. In-person worship continues to be prohibited under the current provincial Public Health Order dated December 22, 2020. A copy of the relevant section of that Order is attached hereto and marked as **Exhibit "C"**.

7. When the church was forced to close in April 2020, we were unable to gather together as commanded by the word of God, and were willing to explore whatever options are available to us. We had no desire to defy the government but needed to be faithful to what we are commanded. We rented a short-range FM transmitter and were able to gather together once again in separate vehicles on the same parking lot. Being that it was spring in Manitoba the weather brought a host of challenges that made this difficult and the strict regulations made partaking in communion challenging. Desiring to be obedient to the government we continued this way despite the challenges for many weeks.

8. We didn't have a building of our own to meet in which presented a real challenge, despite these restrictions being loose enough that in theory the whole of our congregation could meet indoors in one location. The facility we had been renting beforehand was unavailable and finding another location to meet indoors at this time seemed impossible. It was fortunate that by this time it was summer, and we could gather together in parks. Although the restrictions in place still made it a challenge to meet and faithfully worship God we were thankful the good weather still made it possible. No longer confined to cars, we could again worship God as we had been longing to do since the beginning of the lockdowns.

9. Eventually as the weather became less favourable we were able to find a building to rent that could accommodate our size even when the mandates reduced the maximum occupancy limit to 25%. We still did our best to maintain physical distancing and provided both masks and hand sanitizer to our attendees. The only fear we had was that the reduced capacity limit meant that even our small numbers pushed the occupancy to

the limit. We were constantly worrying about what would happen if a few extra guests came to tip us over the allowed number.

10. When the latest restrictions prohibited in-person gatherings altogether our church was at a loss. We are now faced with two options that no one should ever be faced with: either defy the government, or be unfaithful to the life of worship we are called to by God. No man should *ever* have to make this choice and it is the duty of our government to protect the faithful practice of religion, not make it illegal.

11. I firmly believe that the church gathering together in the worship of our Lord and saviour is paramount. Standing together and singing praise to our God and King is the highlight of my week and plays a vital role in my spiritual and emotional well-being. For me, in many ways the love and care that is experienced when we gather is greater than even that of a biological family. This love and sense of belonging comes primarily from two common thoughts: that I am a great sinner and that He is a great saviour. Galatians 3:26-29 says, "for in Christ Jesus you are all sons of God, through faith. 27 For as many of you as were baptized into Christ have put on Christ. 28 There is neither Jew nor Greek, there is neither slave nor free, there is no male and female, for you are all one in Christ Jesus. 29 And if you are Christ's, then you are Abraham's offspring, heirs according to promise."

12. It is this unity and sense of belonging I've found when we gather together that is so vital to my health, spiritually and mentally. Since the Covid-19 related mandates have forced the church to close and made getting together with any members of my church punishable by fines I have suffered greatly. This forced isolation from anyone outside my home in a

time when fears and anxiety are already high have only served to compound the weight of a year already heavily laden with anxiety and depression – mental health issues I never had prior to the lockdowns. My mental health and conscience suffers every single week that goes by that I remain isolated and cannot worship in-person with the rest of the congregation.

13. In addition to the life-giving benefit of gathering with my fellow church members I also believe that The Bible commands us to do so. The common argument is that the church is not a building it's the people. The church is the assembly of the people of God, in the original Greek the word translated as church is always referring to the assembly of the people of God. Hebrews 10:24-25 says "And let us consider how to stir up one another to love and good works, 25 not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near." Here the word of God is instructing us to stir each other up in love and good works, and it goes on to tell us not to neglect in meeting.

14. Clearly the getting together, and the encouraging of one another is something that is central to the Christian faith. In 1 Corinthians 12 The Bible describes the church using the analogy of a person's physical body. It describes each member of the body being dependent upon one another and essential to the well-being of the body as a whole. The author is using this imagery to help the reader visualize the co-dependent nature of the members of the church body. This is why it's not enough to only associate ourselves with other Christians while remaining isolated in our own homes. We must be able to meet together as one body.

15. As important to the church as meeting together, the manner in which we worship God is equally as important. God, in His word to us makes it clear that in the assembly of His people, He is to be worshipped in congregational singing, the preaching of His word, and the partaking of the particular ordinances, namely communion, and baptism. While it is possible to include the preaching of God's word in a virtual service, congregational singing, communion, and baptism are all impossibilities virtually. This means that the mandates as they exist today make it impossible to be obedient to the government and faithfully worship God according to the Christian faith.

16. The various Public Health Orders have had a huge impact on our ability to worship. When gathering sizes were reduced to 10 and our congregation is nine or 10 times that size, we were unable to meet. We had no way of preparing for this ahead of time and so we were left with the same option we have now: stream the songs and preach. As clearly defined earlier this made the faithful practice of the worship of God impossible to do.

17. From the beginning I have felt strongly that these restrictions are a gross violation of the *Charter* rights that I have as a Canadian citizen to worship, assemble, and express myself. I believe that the level of threat that Covid-19 presents in no way justifies the amount of overreach and violation of our rights that we have experienced. The current mandates make it impossible to practice my faith and be obedient to the government at the same time. As a result I am left with a tremendous burden of stress and anxiety, while being without my primary source of encouragement and strength.

18. I can no longer legally worship in song with the church, partake in communion, or even practice hospitality (another important practice of Christianity) since I'm prohibited from even having people in my home who don't live there. While I can remain faithful in practice in some areas there are many that these mandates make impossible. I believe this to be an egregious violation of my *Charter* right to assemble and worship.

19. It has been a real challenge to feel anything other than stressed, anxious and depressed. I have lost total faith in my government when it comes to having my best interests in mind. Why does the government permit people to go to the liquor store and assemble there, but not at church? I feel that I am being treated unfairly as a Christian who is not free to assemble at church, when anyone can freely assemble indoors to buy alcohol.

20. I have no desire to defy the government, in fact quite the opposite, but when I'm faced with the options of disobedience to God or to the government, I'm at a loss. I disagree with many of the mandates, and question the validity of much of the science to support them. I am willing to wear the mask, use the sanitizer, stay home when I'm sick, and keep my distance in public, please just let me worship God as we are commanded to in His word. I as much as anyone I want Covid-19 to be a thing of the past and I'm willing to do my part. I only ask that I be allowed to exercise my religious convictions freely, without any restrictions. They are central to who I am and are critical for my well-being.

21. I joined this action because I desire to see liberty for every Canadian to freely practice their faith without fear of fines or persecution. I want these restrictions to be lifted and do not want further restrictions which would

prevent me from worshipping, expressing myself, or assembling in the future.

22. I make this affidavit *bona fide*.

Dr. Brent Roussin
Chief Provincial Public Health Officer

Dear Dr. Roussin:

RE: Orders under section 67 of *The Public Health Act*

Pursuant to subsection 67(3) of *The Public Health Act*, this correspondence confirms that I, Cameron Friesen, Minister responsible for the administration of *The Public Health Act*, approve special measures being taken by the Chief Provincial Public Health Officer under clauses 67(2)(c) and (d) of *The Public Health Act* in response to the COVID-19 pandemic.

Cameron Friesen
Minister responsible for the administration of *The Public Health Act*

ORDER

THE PUBLIC HEALTH ACT
(Section 67)

WHEREAS:

1. The pandemic caused by the communicable disease known as COVID-19 is creating public health challenges in Manitoba that will continue to evolve and that require urgent actions to protect the health and safety of people across Manitoba.

2. I, Dr. Brent Roussin, Chief Provincial Public Health Officer, believe that as a result of the COVID-19 pandemic

   (a) a serious and immediate threat to public health exists because of an epidemic or threatened epidemic of a communicable disease; and

   (b) the threat to public health cannot be prevented, reduced or eliminated without taking special measures.

3. The Minister responsible for the administration of *The Public Health Act* (the "Act") has approved special measures being taken under clauses 67(2)(c) and (d) of the Act.

THEREFORE, I am taking the following special measures, as authorized under the Act:

ORDER 1
Pursuant to clause 67(2)(d) of the Act, all persons are prohibited from assembling in a public gathering of more than 50 persons at any indoor or outdoor place or premises. This includes places of worship, social gatherings and family events such as weddings and funerals.

EXCEPTION
This Order does not apply to the following:

(a) a facility where health care or social services are provided;

(b) a retail business (including a grocery or food store, shopping centre, pharmacy or gas station), provided that the person in control of the retail business implements measures to ensure that persons attending the business are reasonably able to maintain a separation of at least one metre from other persons attending the business;

(c) a public transportation facility, provided that the person in control of the facility implements measures to ensure that persons attending the facility are reasonably able to maintain a separation of at least one metre from other persons attending the facility.

ORDER 2
Pursuant to clause 67(2)(d) of the Act, all persons are prohibited from assembling in a public gathering at any restaurant or other commercial facility where food is served, licensed premises under *The Liquor, Gaming and Cannabis Control Act* or any theatres offering live performances of music, dance and other art forms as well as movie theatres (the "hospitality premises").

EXCEPTION
This Order does not apply to hospitality premises if the operator of the hospitality premises limits occupancy to 50 persons or 50% of the capacity of the premises, whichever is the lesser, provided that the operator does not serve food buffet style and implements measures to ensure that persons attending the premises are reasonably able to maintain a separation of at least one metre from other persons attending the premises.

Places of worship

ORDER 15

15(1) Except as permitted by subsections (3) and (4), churches, mosques, synagogues, temples and other places of worship must be closed to the public while these Orders are in effect.

12(2) Les activités récréatives extérieures, telles que le ski de fond, la course et la motoneige, peuvent avoir lieu pendant que les présents ordres sont en vigueur, pour autant que les participants maintiennent entre eux une distance d'au moins deux mètres.

12(3) Les vestiaires, abris et autres installations intérieures liées aux activités sportives ou récréatives extérieures demeurent fermés tant que les présents ordres sont en vigueur.

ORDRE N° 13

13(1) Les installations sportives ou récréatives intérieures demeurent fermées tant que les présents ordres sont en vigueur.

13(2) Le paragraphe (1) n'a pas pour effet d'empêcher que les gymnases des écoles publiques ou privées qui sont dotés de terrains de volleyball ou de basketball soient utilisés pour les pratiques et les cours d'éducation physique pendant les heures de classe.

Centres communautaires

ORDRE N° 14

14 Les centres communautaires peuvent ouvrir, mais seules les activités permises par les présents ordres peuvent y avoir lieu pendant que ces derniers sont en vigueur et uniquement en conformité avec les ordres applicables.

Lieux de culte

ORDRE N° 15

15(1) Sauf dans la mesure permise par les paragraphes (3) et (4), les églises, les mosquées, les synagogues, les temples et les autres lieux de culte demeurent fermés au public tant que les présents ordres sont en vigueur.

15(2) Despite subsection (1), religious leaders may conduct services at places of worship so that those services may be made available to the public over the Internet or through other remote means.

15(3) A funeral, wedding, baptism or similar religious ceremony may take place at a place of worship provided that no more than five persons, other than the officiant, attend the ceremony.

15(4) This Order does not prevent the premises of a place of worship from being used by a public or private school or for the delivery of health care, child care or social services.

15(2) Malgré le paragraphe (1), les chefs religieux peuvent tenir des services dans les lieux de culte dans le but de les rendre accessibles au public par Internet ou d'autres moyens à distance.

15(3) Les funérailles, les mariages, les baptêmes et les autres cérémonies religieuses semblables peuvent avoir lieu dans un lieu de culte, pour autant qu'au plus cinq personnes y assistent, hormis l'officiant.

15(4) Le présent ordre n'a pas pour effet d'empêcher qu'un lieu de culte soit utilisé par une école publique ou privée ou qu'il serve à la fourniture de soins de santé, de services de garde d'enfants ou de services sociaux.

Use of masks

ORDER 16

16(1) A person who enters or remains in an indoor public place must wear a mask in a manner that covers their mouth, nose and chin without gapping.

16(2) The operator of an indoor public place must ensure that every person who is not wearing a mask while in the indoor public place is given a reminder to do so as soon as practicable.

16(3) Subsections (1) and (2) do not apply in respect of the following:

(a) a child who is under five years of age;

(b) a person with a medical condition that is unrelated to COVID-19, including breathing or cognitive difficulties, or a disability, that prevents them from safely wearing a mask;

(c) a person who is unable to put on or remove a mask without the assistance of another person;

(d) a person who needs to temporarily remove their mask while in the indoor public place for the purpose of

Port du masque

ORDRE N° 16

16(1) Quiconque entre ou se trouve dans un lieu public intérieur est tenu de porter un masque bien ajusté couvrant la bouche, le nez et le menton.

16(2) L'exploitant d'un lieu public intérieur veille à ce que toute personne qui s'y trouve sans porter de masque reçoive dès que possible un rappel lui demandant de mettre un masque.

16(3) Les paragraphes (1) et (2) ne s'appliquent pas aux personnes qui répondent à l'un des critères suivants :

a) elles ont moins de cinq ans;

b) elles ont un problème de santé sans rapport avec la COVID-19, notamment des difficultés respiratoires ou cognitives, ou une incapacité qui ne leur permettent pas de porter un masque en toute sécurité;

c) elles ne peuvent pas mettre un masque ou l'enlever sans l'aide d'une autre personne;

d) elles doivent enlever temporairement leur masque pour l'une des raisons suivantes :

THIS IS **EXHIBIT "C"** TO THE AFFIDAVIT OF THOMAS REMPEL affirmed before me at the City of Winnipeg, in the Province of Manitoba, the 7th day of January, 2021.

A Commissioner for Oaths in and for the Province of Manitoba. My commission expires July 8, 2021.

THE PUBLIC HEALTH ACT
(C.C.S.M. c. P210)

Orders under *The Public Health Act*

LOI SUR LA SANTÉ PUBLIQUE
(c. P210 de la C.P.L.M.)

Ordres donnés en vertu de la *Loi sur la santé publique*

WHEREAS:

1. The pandemic caused by the communicable disease known as COVID-19 is creating public health challenges in Manitoba that will continue to evolve and that require urgent action to protect the health and safety of people across Manitoba.

2. Dr. Brent Roussin, Chief Provincial Public Health Officer has delegated his powers and duties under *The Public Health Act* ("the Act"), except the responsibilities under section 14 and 15 of the Act, to me, Dr. Jasdeep Atwal, effective December 17, 2020.

3. I believe that, as a result of the COVID-19 pandemic,

   (a) a serious and immediate threat to public health exists because of an epidemic or threatened epidemic of a communicable disease; and

   (b) the threat to public health cannot be prevented, reduced or eliminated without taking special measures.

4. The Minister responsible for the administration of the Act has approved special measures being taken under clauses 67(2)(a), (c), (d) and (d.1) of the Act.

ATTENDU :

1. que la pandémie causée par la maladie contagieuse connue sous le nom de COVID-19 présente dans la province des défis pour la santé publique qui continueront d'évoluer et qui nécessitent la prise de mesures urgentes pour protéger la santé et la sécurité de la population de l'ensemble du Manitoba;

2. qu'à compter du 17 décembre 2020, le D[r] Brent Roussin, médecin hygiéniste en chef, me délègue, à moi, D[r] Jasdeep Atwal, les attributions que lui confère la *Loi sur la santé publique* (« *Loi* »), à l'exception de celles que lui confèrent les articles 14 et 15 de cette loi;

3. que je crois que, compte tenu de la pandémie de COVID-19 :

   a) une menace grave et immédiate pour la santé publique existe en raison d'une épidémie de maladie contagieuse, réelle ou appréhendée;

   b) la menace ne peut être prévenue, atténuée ni éliminée sans prendre de mesures spéciales;

4. que le ministre chargé de l'application de la *Loi* a autorisé la prise de mesures spéciales visées aux alinéas 67(2)a), c), d) et d.1) de la *Loi*,

THEREFORE, I am making the attached COVID-19 Prevention Orders, as authorized under the Act.

PAR CONSÉQUENT, j'ordonne la prise des mesures de prévention de la COVID-19 qui suivent, conformément à ce qu'autorise la *Loi*.

ORDER 16

16(1) Except as permitted by subsections (3) to (5), churches, mosques, synagogues, temples and other places of worship must be closed to the public while these Orders are in effect.

16(2) Despite subsection (1), religious leaders may conduct religious services at a church, mosque, synagogue, temple or other place of worship so that those services may be made available to the public over the Internet or through other remote means.

16(3) A funeral, wedding, baptism or similar religious ceremony may take place at a church, mosque, synagogue, temple or other place of worship provided that no more than five persons, other than the officiant, attend the ceremony.

16(4) This Order does not prevent a church, mosque, synagogue, temple or other place of worship from conducting an outdoor religious service that complies with the requirements of subsection 2(2).

16(5) This Order does not prevent the premises of a church, mosque, synagogue, temple or other place of worship from being used by a public or private school or for the delivery of health care, child care or social services.

Lieux de culte

ORDRE N° 16

16(1) Sauf dans la mesure permise par les paragraphes (3) à (5), les églises, les mosquées, les synagogues, les temples et les autres lieux de culte demeurent fermés au public tant que les présents ordres sont en vigueur.

AFFIDAVIT OF RILEY TOEWS

I, Riley Toews, of the Town of Gretna, in the Province of Manitoba,

MAKE OATH AND SAY AS FOLLOWS:

1. I have personal knowledge of the facts and matters hereinafter deposed to by me, except where same are stated to be based upon information and belief, and those I do verily believe to be true.

2. I write this affidavit in response to the affidavits filed by the Respondents in this matter.

3. Mr. Szilveszter Jozsef Komlodi refers in his affidavit to mental health supports provided by the Government of Manitoba, such as online mental health counselling, "Help Next Door", and various online activities which are supposed to improve Manitobans' quality of life while encouraging us to stay home.

4. Prior to my involvement with this case, I had never heard of any of these mental health supports. The Respondents never reached out to me at any time to offer counselling or any other support for my inability to hold in-person worship services.

5. Even if they had reached out to me in this matter, I would have declined. Counselling services are *not* a sufficient replacement for corporate worship. I maintain that it is our duty before the true and living God to obey His command to gather. As stated in my initial affidavit, the gathering of the church is not incidental to our worship or identity; it is a core element. To worship as God commands, we must be together in person. To ban what God has commanded and then to offer counseling as an alternative is quite frankly insulting, and entirely misses the point that I've made. God requires that we gather. Technology, while helpful, is *not* a sufficient replacement for the gathering of the Church and it is not the role

of the government to declare to us that it is. This is a matter of conscience and freedom of religion; both of which are protected in our *Charter*, and have been trampled under these Public Health Orders.

6. For myself as a Pastor, it has been very difficult seeing people languishing under the effects of the Public Health Orders. I have seen depression and anxiety take their toll on my friends and congregants. Video calls, and the interaction afforded by technology have not been sufficient to counteract these effects.

7. It has weighed heavily on me knowing that what my people needed was forbidden by the Public Health Orders. This has been an incredibly difficult time to be a Pastor. Trying to respond to the ever-changing lockdown orders and attempting to meet the needs of our people through it all, has made this past year a very stressful one at times.

8. One of the most upsetting elements of the Public Health Orders was that they treated worship gatherings as if they were simply another public gathering of no more or less importance than any other type of gathering. The worship required by the true and living God *cannot* be grouped in with concerts, sporting events and other gatherings, and then deemed *non-essential.* The treatment of the worship of God in this manner is an affront which I find outrageous in the fullest sense of the term.

9. The Respondents should not waste their time and *our* money promoting online activities as a means to improve mental health. Re-opening churches fully with no restrictions and the rest of society is the only way, in my opinion, to truly help people out of this darkness.

Government programs are *not* a sufficient replacement for life and freedom. What the government offers through these programs, falls ludicrously short of making up for what they have taken from the people.

10. The Respondents have not once ever tried to meet with me to discuss how these closures would negatively affect my congregation or what possible way we could work around the closures, other than the Public Health Orders themselves which directed us to close or be open in small groups.

11. Further, in response to Dr. Brent Roussin's affidavit, we have communicated with our congregation since March 2020 that no one is to come to church who is feeling unwell. It is not our intention to be belligerent or reckless. As pastors, we care deeply about our people, and desire that they be healthy in every way (physically, spiritually, mentally, and emotionally).

12. I make this affidavit *bona fide*.

AFFIDAVIT OF CHRISTOPHER LOWE

I, CHRISTOPHER LOWE of the City of THOMPSON, in the Province of Manitoba,

MAKE OATH AND SAY AS FOLLOWS:

1. I have personal knowledge of the facts and matters hereinafter deposed to by me, except where same are stated to be based upon information and belief, and those I do verily believe to be true.

2. I write this affidavit in response to the affidavits filed by the Respondents in this matter.

3. In Mr. Szilveszter Jozsef Komlodi's affidavit, he references online mental health supports, such as "Care for Your Mental Health" and "Help Next Door" provided by the Government of Manitoba. He also attaches information about online recreational activities that Manitobans can do at home.

4. Reviewing Mr. Komlodi's affidavit revealed some unknown mental health supports, which I had not discovered until I reviewed this document. Despite the drastic measures implemented, i.e. the Public Health Orders, the Respondents did not communicate with me or contact my church to ascertain those Orders' impact on the faith community or offer alternatives or supports.

5. In my view, no amount of funding to stay home or "temporary" online solutions can replace the dignity and value that one receives in working or practicing one's faith and engaging with one another. I experienced days of deep despair by the inability to properly care for, interact with, and worship corporately with our congregation's parishioners. I could not pray with those infirmed or even socialize with those to rejoice in their positive life events. I love those who attend our church, and the gathering restrictions took a significant toll upon me, even evidenced by a lack of desire to get out of bed. My marriage experienced increased stress and anxiety over being limited in our exposure to others.

6. I do not believe that government-assigned counselling by a random professional will replace the heart connection with a fellow Christian in the act of worship to Almighty God.

7. In response to Dr. Brent Roussin's affidavit, our church has since March 2020 put Covid-19 safety protocols in place. Our pews are two meters apart, and we provide hand sanitizer and masks for our congregants. When the Covid-19 pandemic began I made sure that my congregation knew they were not to attend our church services if they were feeling unwell and/or have cold or flu symptoms.

8. I make this affidavit *bona fide*.

I, THOMAS REMPEL of the City of WINKLER, in the Province of Manitoba,

MAKE OATH AND SAY AS FOLLOWS:

1. I have personal knowledge of the facts and matters hereinafter deposed to by me, except where same are stated to be based upon information and belief, and those I do verily believe to be true.

2. I write this affidavit in response to the affidavits filed by the Respondents in this matter.

3. Until I read the section of Mr. Szilveszter Jozsef Komlodi's affidavit regarding mental health supports the only assistance I had heard of being provided was the "Help Next Door" hotline. The Respondents did not inform me of this hotline, I had heard about it on the radio. I do not believe that this type of support would provide any comfort at all and in no way replaces that love and support that I receive though pastoral care and regularly gathering together for worship.

4. I can honestly say that the burden of these seemingly endless lockdowns has been near unbearable. I believe that in order for me to thrive mentally again, I need to be able to worship freely as God intends me to. Although I believe that these online supports are well-intentioned, I cannot see how they can relieve my stress and anxiety as I still cannot worship without restrictions.

5. In response to Dr. Brent Roussin's affidavit, I have made it clear to those who attend my church that if they are feeling unwell or experiencing any flu-like symptoms they are not to attend any church services. I believe that caring for the members of our church should consider every facet of life, physical, mental, and spiritual.

6. To the best of my knowledge there has been no effort on the part of the Respondents to work with my church since the gathering restrictions were imposed. The Respondents have not initiated any dialogue with me or my church about impacts of the restrictions on our church and what might be done to support us through this difficult time.

7. I make this affidavit *bona fide*.

AFFIDAVIT OF TOBIAS TISSEN

I, Tobias Tissen of the City of Steinbach, in the Province of Manitoba,

MAKE OATH AND SAY AS FOLLOWS:

1. I have personal knowledge of the facts and matters hereinafter deposed to by me, except where same are stated to be based upon information and belief, and those I do verily believe to be true.

2. I write this affidavit in response to the affidavits filed by the Respondents in this matter.

3. The Respondents have provided evidence that they have spent money trying to help Manitobans' mental health issues throughout the pandemic by offering such services as online counselling. Mr. Szilveszter Jozsef Komlodi's affidavit describes mental health supports provided by the province, including a help phone line and online recreation.

4. Reading about these mental health supports in Mr. Komlodi's affidavit came as a surprise to me. The Respondents never offered me counselling or any other support after they took away my right to worship. All I have received from the Respondents for all of the stress they have caused me in ordering that churches stay closed and restricted is ticket after ticket as I continue to attempt to follow God's plan and Word.

5. I can honestly say that the amount of stress that I have experienced because of these closures and restrictions is immeasurable. All of my life I have been a peace-loving, law-abiding citizen, and the near constant run-ins and stand-offs with law enforcement in respect of our church's services is taking a heavy toll on me mentally. Never in my wildest dreams would I have thought that I would have to go through so much stress and hardship in order to obey the scriptures and my convictions. Online counselling or calling a "help line" will not remedy my despair or fix what the Respondents have taken away from me.

6. I believe that the only thing that will alleviate the stress, immense upset and depression that the Respondents have caused me would be to be able to worship freely without restrictions. What good can counselling do, when as a Christian you cannot gather in-person with your whole

congregation? I would, however, have appreciated the gesture and effort if a Manitoba government official had reached out to me and apologized for these closures, and discussed the situation with me and the rationale for keeping a liquor store open while closing my church. Dr. Roussin in his affidavit says that public health officials balance potential unintended adverse mental health effects of restrictions. He, (or any of the Respondents) never attempted to reach out to me to discuss what these mental affects might be and how their restrictions would affect me.

7. I am the Church of God's primary public representative. To my knowledge, the Respondents' have never attended (or sent a third party to attend) my church to inspect its ventilation system. I have never witnessed anyone from the Manitoba government come inside the Church of God.

8. In response to Dr. Brent Roussin's affidavit, I have communicated with our congregation since March 2020 that no one is to come to church who is feeling unwell or has cold or flu-like symptoms.

9. I make this affidavit *bona fide*.

AFFIRMED before me in the City of Winnipeg, in the Province of Manitoba, this 26th day of March, 2021.

Commissioner for Oaths in and for the Province of Manitoba
My Commission Expires: July 8/21
